**How to Use This Book** You can read this book cover to cover, but feel free to jump to the sections that interest you most. Each chapter is written to be standalone, so you can tackle what's most relevant to your current project. If you're just getting started, we recommend reading through the chapters sequentially as they build upon one another. Throughout the book, you'll find practical examples, screenshots, and clear, concise instructions. You can follow along on your own WordPress site, testing each concept as you learn. At the end of each chapter, we provide a summary of key takeaways and tips to help reinforce your learning.

**The WordPress Community** One of the greatest strengths of WordPress is its vibrant global community. Whether you're troubleshooting an issue, looking for tutorials, or seeking inspiration, the WordPress community is always ready to help. From online forums to local WordPress meetups and large-scale events like WordCamp, there are countless opportunities to connect with others and share knowledge. If you ever run into a problem or have a question that isn't covered in this book, don't hesitate to explore the WordPress forums, attend a meetup, or reach out to the broader community for assistance. You'll quickly find that WordPress is more than just a software; it's a thriving ecosystem of passionate users and developers who support each other.

By the end of this book, you'll have the knowledge and skills to confidently build, manage, and grow your own WordPress website. Whether you want to create a simple blog, an advanced e-commerce store, or a custom-built solution, this guide will equip you with the tools and techniques you need to succeed. Let's begin.

[ChatGPT for Everyone](#) Serhii Koshel, I've long wanted to understand what artificial intelligence really is, how it works, and how to use it in everyday life. I read articles, watched videos, and tested neural networks, but I couldn't find one solid, clear course with all the answers in one place. Everywhere I looked, there were only fragments, not the full picture. So I decided to create this course: powerful, accessible, and honest. A course that both a child and an adult can understand and use right away to start getting results. This course is a self-taught guide, a friend, and a launchpad for anyone who wants to keep up with the times.
