*Beginning Google Blogger* Heather Wright-Porto, 2010-12-28 Are you interested in starting a blog but can't decide on which service to use? Google's Blogger offers many advantages over other blog publishing systems including seamless integration with Google services and web applications. *Beginning Google Blogger* is a complete resource on how to create and manage a blog using Blogger. The book offers step by step instructions and visual aids which walk you through both the basics of Blogger and the advanced features it offers from creating a new blog and choosing fonts and colors and installing custom blog graphics to converting from a 2 column to a 3 column layout, setting up a domain name and creating an online store with a built in navigational bar. The journey from newbie to experienced blogger will be fun and challenging. You'll learn practical applications of the most popular gadgets, search engine optimization tips, how to make money using Blogger and overall taking blogging to a new level by incorporating social networking tools using advanced blog design techniques, setting up a custom domain and creating an online store.

*Create Your Own Website The Easy Way* Alannah Moore, 2016-06-02 Every small business or organisation needs a website whether it is a simple online portfolio or a complex online shop. Expert web design teacher Alannah Moore makes this subject accessible for everyone even those with no technical or design experience. Avoiding technical language, Alannah provides a summary of the web platforms available covering among others WordPress, Squarespace, Weebly and Shopify. From these the reader can choose the right platform for them and very quickly get up and running. Drawing on her vast experience of what a novice website builder really needs to know, Alannah covers all the topics they will come across in their online experience: how to choose a good domain name, what content you need for your site, how to work with images and even create your own logo. The reader will also learn how to integrate social media and a blog so they are set up and in control of their virtual presence from every aspect. This is the perfect book for anyone who doesn't want to pay for an expensive web designer. In Alannah's safe and capable hands they will find the process of building their site easy and enjoyable and they'll soon have a successful online presence.

*Expert Podcasting Practices For Dummies* Tee Morris, Evo Terra, Ryan C. Williams, 2008-01-07 A guide to audio and video podcasting covers such topics as developing a podcast, podcasting equipment and tools, recording a podcast, encoding software, the video and audio editing process, getting listed in podcast directories, the podcast community and making money with podcasting.

numerous examples of everyday Americans who have used their skills to make democracy respond The reader will see themselves in these examples of citizens who chose to be victorious participants rather than tranquil spectators in the arena of democracy By the end of the book you will have new confidence that citizen participation is the lifeblood of America and will be ready to make governments work for you not the other way around      **Library Journal** Melvil Dewey, Richard Rogers Bowker, L.
