Social Media Marketing for Beginners 2021 Michael Branding, 2021-02-10. If you want to generate 10,000 a month with social media marketing, then keep reading. Entrepreneurs and influencers have finally discovered the power of social media marketing and having a profitable online business. In fact, during 2020, online stores have seen a growth of over 26%, and this trend will keep on going for a very long time. However, even if the numbers look incredible, big brands and companies have not saturated the entire market yet. This allows retailers and new entrepreneurs just like you to take full advantage of users' attention, which is greatly underpriced at this moment. It is just a question of when big names will start to heavily market online, not if they will do that. Once we will see big companies deploying large sums of money into social media marketing, it will be almost impossible for the average Joe to start a profitable online business. This is why you need to start today, having a clear goal in mind: monetization. Here is what you will discover in this book: The 6 secret steps to every effective social media marketing plan and how you can use them to take your online business to the next level. The only way to create an editorial plan that puts money into your pocket. The KPIs used by the most successful online businesses to monitor results and increase sales.
