Creative Museum Methods And Educational Techniques:

Creative Museum Methods and Educational Techniques Jeanette Hauck Booth, Gerald H. Krockover, Paula R. Woods, 1982 *Using Museums as an Educational Resource* Graeme K. Talboys, 2016-02-17 Visits to museums have long been an important aspect of the education of young people and in recent years it has been increasingly recognised that education is core to the purpose of the museum Not only do they introduce students to the many and varied forms of our material culture they also introduce them to social historical and scientific encounters that are difficult to find elsewhere The second edition of this popular book takes account of the ongoing changes in both museums and education to provide a comprehensive introduction for student teachers practising teachers and other educators to all that is required to make good educational use of museums It explores what a museum is their value in primary and secondary education and why they require special teaching skills It then goes on to look at the practicalities of planning preparing and conducting a visit including risk assessment Next it introduces the basic skills involved in working with the resources that are required to make the best educational use of museums including online and digital resources Finally the author considers ways of following up work done outside the classroom including some of the longer term strategies that teachers should consider **Museum Educator's Handbook** Graeme K. Talboys, 2016-04-15 Described by GEM as a very informative and practical book worth having on any museum shelf the Museum Educator's Handbook is a thorough and practical guide to setting up and running education services in all types of museum even the smallest in any geographical setting This third edition has been comprehensively updated to reflect the increased emphasis on the role of museums at all levels of education from schools to further and higher education There are new sections which deal with the importance of risk management and quality assurance as well as guidance on the prevalent use of policy documents and new marketing methods Group for Education in Museums *Great Tours!* Barbara Abramoff Levy, Sandra Mackenzie Lloyd, Susan Porter Schreiber, 2002-02-07 Creating tours that are interesting and educational for visitors and guides is a challenge every historic site faces Great Tours helps you focus clearly on the material culture and significance of your site and then shows you how to use that focus to train and energize your guides You will be able to move your tours to a fresh new level that is engaging and educational for visitors of all ages and abilities Readings and workshop activities frame the process throughout and allow you to develop what is most appropriate for your site while working to strike a realistic balance between ideals and every day reality Great Tours offers a unique combination of theoretical guidance and practical activities supplemented by reproducible forms and a bibliography and index that make it an invaluable resource for anyone involved with planning tours and training guides Published in cooperation with the National Trust for Historic Preservation Visit their web page **Manual of Curatorship** John M. A. Thompson, 2015-07-17 Based on original contributions by specialists this manual covers both the theory and the practice required in the management of museums It is intended for all museum and art gallery profession staff and includes sections
