Crediton Killings A Knights Templar Mystery:

The Crediton Killings Michael Jecks, 2013-04-11 Crediton is expecting the arrival of the Bishop of Exeter Walter Stapledon. A band of mercenaries has arrived in the town under their leader Sir Hector de Gorsone. Rumours abound that they terrorize travellers, have no respect even for the cloth, and that Sir Hector has seduced a local maid. When Simon and Baldwin attend the Bishop's welcome dinner, they are called to learn that the mercenaries have complained of theft and then discover the body of a young woman hidden in a chest: the first of the Crediton killings. *The Crediton Killings* Michael Jecks, 2009-10-13 The Knights Templar. They were warrior monks dedicated to the protection of pilgrims in the Holy Land until an avaricious king who wanted their wealth savagely destroyed the order. One knight however escaped the stake, vowing justice for his innocent murdered brothers. An ill wind. The arrival of the eminent Bishop of Exeter to the small Devonshire town of Crediton, coupled with the unwanted appearance of a particularly unsavory band of mercenary soldiers, has made life exceedingly difficult for Simon Puttock, bailiff of Lydford, and ex-Knight Templar Baldwin Furnshill, Keeper of the King's Peace. But it is the grim discovery of the body of a young girl hidden in a chest that unleashes a village-wide plague of fear and suspicion. Stemming the chaos may be beyond the powers of two dedicated upholders of the law. For the Crediton killings have only just begun, and each murder to follow threatens to be more heinous and baffling than the one before. **The**

Leper's Return Michael Jecks, 2012-12-06 Ralph of Houndeslow is the new Master of St Lawrence's, the leper hospital at Crediton. He has the daunting task of seeing to the souls of the inmates. Godfrey of London is murdered, his daughter Cecily assaulted, and the crimes are laid at the door of John of Irelaunde, a known womaniser and conman. Meanwhile, feelings against Lepers are growing. A few hotheads are prepared to consider killing all of them. Amidst this gathering storm, Baldwin and Simon must try to prevent wholesale slaughter and bring the true culprit to justice. *The Leper's Return* Michael Jecks, 2006-08-29 The Knights Templar. They were warrior monks dedicated to the protection of pilgrims in the Holy Land until an avaricious king destroyed the order. One knight however escaped the stake, vowing justice for his murdered brothers. A fatal tide of intolerance. With civil war looming, tensions are high in the town of Crediton, and the foul murder of a local gold merchant and assault on his daughter merely feed the flames. Keeper of the King's Peace and former Knight Templar Sir Baldwin Furnshill and his partner Simon Puttock, bailiff of Lydford, must find the culprit and resist the temptation to quickly condemn the most obvious suspect. But their cool heads may not prevail for rumors are spreading that suggest the lepers of St Lawrence's hospital, the shunned outcasts of society, are somehow responsible for Crediton's current ills. And any delay on the part of Furnshill and Puttock in apprehending a killer may well lead to a full-scale slaughter of the despised unfortunates.
