Credo Of Maimonides:

The Credo of Maimonides Carol Klein,1958 Credo of Maimonides Carol Klein,1958 The Credo of Maimonides Carol Klein,2011-10 *Credo of Maimonides* Carol Klein,1958-01-01 **Maimonides's Yahweh** Amy Karen Downey,2019-03-20 The life of Moshe ben Maimon Maimonides remains a mystery to many within evangelical Christianity However he is lauded as a second Moses by many within modern Judaism Does he deserve that title Maimonides s via negativa created a rationale for rejecting the messiahship claims of Jesus in Rabbinic Judaism Therefore this book seeks to illustrate that Maimonides in his desire to create an anti Christian apologetic regarding the incarnation fashioned a Judaism that does not reflect the truths of the Tanakh Old Testament and developed a Judaism that was untenable for the Jewish people of the twenty first century Many Jewish people today are turning in a thousand and one different directions for spiritual answers but not in the only way that will offer the way to God Jesus of Nazareth John 14 6 This work examines the history of Maimonides his teachings and an apologetic approach to bring the gospel back to the Jewish people Rom 1 16

Waxman,2017-08-01 Chaim Waxman a prominent sociologist of contemporary Orthodoxy is one of the keenest observers of American Jewish society In illustration of how Orthodoxy is adapting to modernity he presents a detailed discussion of halakhic developments particularly regarding women s greater participation in ritual practices and other areas of communal life He shows that the direction of change is not uniform there is both greater stringency and greater leniency and he discusses the many reasons for this both in the Jewish community and in the wider society Relations between the various sectors of American Orthodoxy over the past several decades are also considered **The Longman Standard History of Medieval Philosophy** Daniel Kolak,Garrett Thomson,2007-06-14 With selections of philosophers from Plotinus to Bruno this new anthology provides significant learning support and historical context for the readings along with a wide variety of pedagogical assists Featuring biographical headnotes reading introductions study questions as well as special Prologues and Philosophical Overviews this anthology offers a unique set of critical thinking prompts to help students understand and appreciate the philosophical concepts under discussion Philosophical Bridges discuss how the work of earlier thinkers would influence philosophers to come and place major movements in a contemporary context showing students how the schools of philosophy interrelate and how the various philosophies apply to the world today In addition to this volume of Medieval Philosophy a comprehensive survey of the whole of Western philosophical history and other individual volumes for each of the major historical eras are also available for specialized courses **Evil and Providence in Maimonides'S Guide of the Perplexed** Modestus Anyaegbu,2014-11-21 Maimonides's rationalist rejection and interpretation of anthropomorphism play a major part in his reading of the problem of evil and providence in the guide of the perplexed The debate has been on finding an explanation as to why the righteous suffer and the vicious prosper in a world under the providence of a divine Creator The anthropomorphic bent given to the legendary case of the biblical Job has given us the concept of God as a personal agent But confronted with the reality of his innocent suffering this image of God leaves much to be desired We shall argue that Maimonides's theory of providence as consequent upon the intellect and evil as consequent upon the absence of intellectual perfection are based on the concept of God as existence It is the absence of intellectual perfection that marks man qua animal and leaves him open to chance occurrences and evil A Promotional Write Up The present work places before us the strange position and it must be said a little bit shocking to us of the great Jewish thinker on the question of providence Only the intelligent that is to say the human beings who have effectively actualized their intellects and have come to an accomplished knowledge are considered and personally protected by the Eternal In other words the traditional piety that is usually asked of the believers by religious authorities is not sufficient This piety is still marked by illusion and does not procure for man the true knowledge of God

which is worthy of him The individual ought to overcome pietistic representations in order to open himself to divine truth which is accessible only through knowledge This is what the Book of Job illustrates At the time when the actuality does not cease to present before us the question of the status of religion and the religious within modernity the attempt by Maimonides to articulate these two styles carries an indisputable force of conviction as shown with abundant evidence in the work presented by Modestus Anyaegbu Jean Michel Counet president of the Institut Suprieur de Philosophie Universit Catholique de Louvain Belgium *Religious Books, 1876-1982*, 1983 **Philosophic Classics** Forrest E. Baird, 2007 Forrest Baird's revisions of Philosophic Classics Prentice Hall's long standing philosophy series continue the tradition begun in 1961 to provide generations of students with anthologies of high quality in the history of Western philosophy Using the complete works or where appropriate complete sections of works this series allows philosophers to speak directly to students This series includes texts central to the thinker's own philosophy using the best available translations Cover **Library of Congress Catalogs** Library of Congress, 1976 *Library of Congress Catalog* Library of Congress, 1970 **The New Scholasticism** Edward Aloysius Pace, James Hugh Ryan, 1959 Includes section Book Reviews **God of Abraham** Lenn Evan Goodman, 1996 Drawing on a wealth of traditional and philosophical material mainly from Jewish sources this treatise shows how human values illuminate the idea of God which in turn sheds light on our value concerns **The Personalist**, 1959 **American Judaism** John A. Hardon, 1971
