Shouting Down the Silence David C Dougherty, 2010-10-01 Shouting Down the Silence presents the first complete biography of Stanley Elkin a preeminent novelist who consistently won high marks from critics but whose complexities of style seemed destined to elude the popular acclaim he hoped to attain From the publication of his second novel A Bad Man in 1967 to his death in 1995 Elkin was tormented by the desire for both material and artistic success Elkin s novels were taught in colleges and universities his fiction received high praise from critics and reviewers two of his novels won National Book Critics Circle Awards and his short stories were widely anthologized and yet he was unable to achieve renown beyond the avant garde or to escape the stigma of being an academic writer He wanted to be Faulkner but he had trouble being Elkin Drawing on personal interviews and an intimate knowledge of Elkins s life and works David C Dougherty captures Elkin s early life as the son of a charismatic intimidating and remarkably successful Jewish immigrant from Russia as well as his later career at Washington University in St Louis A frequent participant at the annual Bread Loaf Writers conference he was the friend and sometime antagonist of other important writers particularly Saul Bellow William Gass Howard Nemerov and Robert Coover Despite failed attempts to bridge the gap from his academic post to wide popular success Elkin continued to write essays stories and novels that garnered unerring praise His was a classic dilemma of an intellectual aesthete loath to make use of the common devices of popular appeal The book details the ambition the success the friction and the foibles of a writer who won fame but not the fame he wanted **Pieces of Soap** Stanley Elkin, 2016-11-15 With a wickedly witty touch Elkin s essays takes readers on a tour of American life in the 20th century Stanley Elkin was one of our great American writers A divine exploiter of the idiocies and intricacies of our language as John Irving put it and nowhere is that more clear than this collection of essays which find Elkin wresting hilarity and heartbreak from the most unlikely of sources **Short**
