Cries From Casement As His Bones Are Brought To Dublin:

Cries from Casement as His Bones are Brought to Dublin David Rudkin, British Broadcasting Corporation, 1974 A portrait of Sir Roger Casement *David Rudkin* David Ian Rabey, 1997 Authoritative in its reference to all Rudkin's work for theatre cinema radio and television this profound critical study aims to prompt a reappraisal of his work in current dramatic theoretical and sexual contexts **Performing the Body in Irish Theatre** B. Sweeney, 2008-02-14 This title examines the representation of the body in Irish theatre alongside the specific circumstances within which Irish theatre is performed incorporating issues of gender and embodiment and the performance of Irishness and tradition The author contextualizes the body in Irish theatre and includes in depth analysis of five key productions **The Irish Art of Controversy** Lucy McDiarmid, 2018-07-05 Controversies are high drama in them people speak lines as colorful and passionate as any recited on stage In the years before the 1916 Rising public battles were fought in Ireland over French paintings a maverick priest Dublin slum children and theatrical censorship Controversy was popular wrote George Moore especially when accompanied with the breaking of chairs In her new book Lucy McDiarmid offers a witty and illuminating account of these and other controversies antagonistic exchanges with no single or no obvious high ground They merit attention in her view not because the Irish are more combative than other peoples but because controversies functioned centrally in the debate over Irish national identity They offered to everyone direct or vicarious involvement in public life the question they articulated was not Irish Ireland or English Ireland but whose Irish Ireland would dominate when independence was finally achieved The Irish Art of Controversy recovers the histories of the man who died for the language Father O'Hickey who defied the bishops in his fight for Irish Gaelic Lady Gregory and Bernard Shaw's defense of the Abbey Theatre against Dublin Castle and the 1913 Save the Dublin Kiddies campaign in which priests attacked socialists over custody of Catholic children The notorious Roger Casement British consul Irish rebel humanitarian poet forms the subject of the last chapter which offers the definitive commentary on the long lasting controversy over his diaries McDiarmid's use of archival sources especially little known private letters indicates the way intimate exchanges as well as cartoons ballads and editorials may exist within a public narrative In its original treatment of the rich material Yeats called intemperate speech The Irish Art of Controversy suggests new ways of thinking about modern Ireland and about controversy's bluff bravado and improvisational flair Cathal O'Byrne and the Northern Revival in Ireland 1890-1960 Richard Kirkland, 2006-10-01 In this fascinating book Richard Kirkland explores the history of Northern Ireland through the biography of one of its most unusual and talented performers the legendary musician IRA activist poet and Catholic mystic Cathal O'Byrne Both gay and Catholic in Protestant dominated Northern Ireland O'Byrne's circle of friends included the renowned human rights campaigner Roger Casement the activist Maud Gonne and the leader of the Easter Rising of 1916 Patrick Pearse Despite his outsider status O'Byrne's work was indicative of major shifts in public opinion as he moved from Home Rule politics to an eventual commitment to arms during

the Irish War of Independence Kirkland uses the story of O Byrne's life to delve into that of his colleagues during the Northern Irish cultural revival making illuminating connections between the Ulster Literary Theatre Belfast's music hall culture the Casement trial and the devastating Belfast anti Catholic pogroms of 1920 and 1921 for example Just as importantly Kirkland brings to light the hidden history of gay Belfast and the fate of Northern Ireland's Catholics in this previously neglected period after Partition but before the Troubles

The Theatre of War H. Kosok, 2007-07-12 The Theatre of War surveys more than two hundred plays about the First World War written published and or performed in Britain and Ireland between 1909 and 1998 Perspectives discussed include subject matter technique and evaluation The result is an understanding of the First World War as a watershed in international history

Roger Casement in Irish and World History Mary E. Daly, 2005 Numerous scholars assess the legacy of Sir Roger Casement who came to prominence for his work on human rights abuses in the Congo and South America He's held the status of a folk hero and martyr as a humanitarian turned republican organiser who was stripped of his knighthood in 1911 and executed for treason in 1916

Sight Unseen Elissa S. Guralnick, 1996 Guralnick contends that well crafted radio plays tend to meld to their medium so naturally that they cannot be transferred to the theater or to film without being diminished Each play is thus shown to exploit to special effect one of radio's fundamental features its invisible stage Barker and Stoppard its affinity to music Ferguson and Beckett its ability to imitate the mind's subjectivity Kopit and Pinter its association with world events through features and the news Rudkin

Burns Mantle Best Plays and the Year Book of the Drama in America, 1977 *Politics and Performance in Contemporary Northern Ireland* American Conference for Irish Studies, 1999 In this interdisciplinary volume scholars from Northern Ireland the United States Canada and England examine the junctures of politics and performance in contemporary Northern Ireland Four of the chapters are about performances that are intended primarily for live theater or television The remaining five describe dramatic struggles played out in the pubs and drinking clubs of Protestant Ulster local district councils political organizations the police force and even the memories of young people Symbolic struggle is particularly important during the current period of fragile cease fires and brokered agreements in Northern Ireland With the diminution of paramilitary action more attention now focuses on symbolic performances Each of the nine essays in this book tells us in its own distinct voice how the story of political conflict is constructed manipulated portrayed and remembered By juxtaposing essays on theatrical performance alongside social scientific analyses the editors remind us of the reflexivity of political life in Northern Ireland Taken together the essays show how individuals have been shaped by the historical context of the Troubles and how they have used their performances in the theater and on the stage of daily life to define identities reinforce ideologies and build institutional support Publisher description

Commonweal, 1977 *December Bride* Lance Pettitt, 2001 Sam Hanna Bell's debut novel 1951 about life in a tight knit Presbyterian community in turn of the century Northern Ireland was adapted for the screen by David Rudkin and directed by Thaddeus O Sullivan in 1990 Both as a novel

and as a film *December Bride* is a remarkable combination of passion and politics set against a rural backdrop of communal constraint and individual action Visually and thematically the film is a timely reinvestigation of Ulster Protestant history and culture and in particular reclaims a tradition of radical independent thought exemplified by the work of Sam Hanna Bell Drawing on previously unpublished archival material and new interviews Lance Pettitt explores the intricate relationship between novel screenplay and the wider film culture *December Bride* is a consummate and provocative challenge to the politics of Irish society its cinematic representations and to the very process of film adaptation itself **West Coast Plays** Robert Valine,1977 **MLA International Bibliography of Books and Articles on the Modern Languages and Literatures** ,1994 **The Triumph of Death** David Rudkin,1981 *Performing Arts* ,1976 **The International Authors and Writers Who's who** Ernest Kay,1986 *Contemporary Dramatists* ,1993 *Roger Casement in Death, Or, Haunting the Free State* W. J. McCormack,2002 Roger Casement the retired British consular official tried for treason and executed for securing German rifles to help the 1916 Rising in Ireland has been a focus of controversy since the 1930s with specific reference to the so called Black diaries allegedly forged by British intelligence in c 1916 Forensic tests on the diaries commissioned by a committee chaired by W J McCormack have now shown that the diaries were written by Casement This work is centred on W J Maloney whose 1936 book *The Forged Casement Diaries* brought the topic to the attention of the Irish public and was part of an Irish American campaign to influence the domestic politics of the Irish Free State The book raises questions about intelligence work archival engineering IRA unofficial action Nazi propaganda and new light is shed on major figures such as Eamon de Valera and W B Yeats as well as on a cast of colourful bit players *Books in Print* ,1979
