Excerpts from the book *Administrative Searches Under The 4th* The above discussion of Bat s 4th amendment rights is colored by the fact that border searches are deemed administrative and can be conducted without reasonable suspicion and even body searches can be conducted without probable cause as long as they are not unreasonable e g done for harassment by non professionals in an unnecessarily violent or offensive manner etc Normally the 4th amendment is offended when government agents engage in random stops to seek evidence of crime as this leaves them too much discretion about who to stop how why and when Government agents conducting stops are normally required to do them in a systematic and non arbitrary or discriminatory manner such as by stopping every third vehicle or every blue vehicle assuming there is an articulate unavoidable good law enforcement reason for this They are also not allowed to casually seek evidence of crime but only evidence of crimes they know have occurred or reasonably suspect to have occurred or may occur and only seek it where it will reasonably be found StudyPrivatelyForTheBar com Choose Daily or Weekly tutoring for bar baby bar Under 139
