fended off Gen's assault on Keiyou but the situation remains dire for the Ei Empire. The country's former ally Seitou has joined the enemy and now the western border stands open and hostile. With tensions continuing to rise and infighting commonplace within the capital's courts, invading Seitou, however inadvisable, has become inevitable. A strategist to devise tactics and navigate the political waters is sorely needed, so when the self-professed ascendant who helped Meirin unearth the Heavenly Swords arrives in Keiyou, the answer has practically fallen into Sekiei's lap or so it would seem were she not absolutely against participating in war. With the odds stacked against them and the armies from Gen and Seitou looming, Sekiei knows that Ei's and the Chou family's soldiers will need it all: Ruri's wisdom, Hakurei's leadership, and Meirin's connections along with his own strength and skill if any of them are to survive the upcoming battle.

Mate of the Werewolf Lia Rose, 2025-01-12 Being a werewolf was never easy, but for Ethan it was a living nightmare. As the youngest male in his pack, he had always struggled to find his place. Adding to his burden was his sister, Camellia, whose sharp words and relentless cruelty left scars deeper than any claw ever could. She thrived on making him feel small, reminding him constantly that he would never amount to anything. Ethan tried to endure, tried to keep his head down and survive. But everything changed the day he met Chance. Chance was unlike anyone Ethan had ever encountered. Older, experienced, and shrouded in an air of mystery, he carried a presence that commanded respect. Known as the Night Wolf, Chance was a werewolf with a reputation for power and secrecy. For reasons Ethan couldn't yet understand, Chance took him under his wing. There was something different about Ethan, something even he didn't fully grasp. Chance called him the White Wolf, a title that carried weight and meaning. Ethan wasn't ready to face it. At first, Ethan thought meeting Chance might bring him peace. He believed his life might finally take a turn for the better. But fate had other plans. The appearance of new wolves shattered any hope of calm. They weren't just strangers passing through; they were hunters, and their target was Ethan. The more they came, the more questions arose: Why were they after him? What did they know about him that he didn't? With danger closing in, Ethan was forced to rely on Chance. But trust wasn't easy for Ethan, not after years of betrayal and pain. As the two of them delved deeper into the mystery of Ethan's identity, they discovered secrets that would
