Designing Adult Services Ann Roberts,2017-11-01 Focusing on adult patrons ages 19 through senior citizens this book explains how libraries can best serve this portion of their community s population at different life stages and foster experiences that are worth the trip whether actual or virtual Adult library patrons are busier than ever before working taking classes and studying for advanced degrees caring for children helping their aging parents taking care of their homes or rental properties planning and nurturing careers managing investments and retirement funds and inevitably retiring Each of these endeavors can require highly specific learning and education Throughout their lives adults continue to have different information needs that the library and its services can fill Designing Adult Services Strategies for Better Serving Your Community discusses the many ways libraries can serve adults of various ages and at different life stages covering online services collection development programming and lifelong learning This guide s unique approach simplifies the processes of designing and carrying out a successful adult services program for adult library users in all the various stages of life The book is organized by age groups with the respective information needs and life challenges Each chapter suggests programs services and collection development strategies for the life stages Public library administrators and managers as well as adult services librarians in public libraries will find this guide a must read

My So-Called Millennial Life Cassie McClure,2023-10-11 The word millennial like antecedent boomer evokes crisp images in our collective consciousness from skinny jeans and side parts to social media and student loans This collection of columns by Cassie McClure is an insightful window into millennial adulthood and the lessons learned by a generation born for a new millennium

The Latter-Day Saints' Millennial Star Parley Parker Pratt,1898

Post-Pandemic Leadership Morgen

Witzel,2022-04-28 This book shows readers how to rethink and reimagine leadership and charts a course towards a new vision of leadership It outlines lessons to be learned for leadership not only after the COVID pandemic but also in light of other ongoing crises around issues such as climate change and global inequality The pandemic has shone a harsh spotlight not just on the leaders of organisations but on the concept of leadership itself and the way we lead Many of those who were in positions of power before the crisis have been found wanting too often our idols have turned out to have feet of clay But does the problem lie with the leaders themselves or do the roots of the problem lie deeper Do we need to start rethinking and reimagining the kind of leadership we will need in a post COVID world Post Pandemic Leadership brings voices from every sector to demonstrate what changes we can make in order to make leadership fit for purpose in the twenty first century Illustrating a need for a radical change in leadership with leaders focusing much more on human relationships kindness fairness well being and a general sense of responsibility this book will be of interest to both established leaders and the next generation of leaders in education and in practice
