Simple How To Get Brand Deals Tips For College Students:

Financial Basics Susan Knox, 2004 Jason is typical of today's college students who are assuming unprecedented debt burdens because of relaxed limits on student loans and easily obtained credit cards. Many on college campuses are calling it a fiscal crisis. Financial Basics tackles the gaps in the personal financial knowledge of college students. Beginning with debit credit card issues, student loan decisions, and the challenge of managing and reducing debt, Knox walks readers through money management. She skillfully addresses the how-to's of checking accounts, spending plans, emergency funds, and credit histories. She discusses financial personalities and the emotions of money as well as practical record keeping and simple filing techniques. In Financial Basics, Knox blends her extensive money management experience with her desire to inform and help students master their finances; she shares experiences about money lessons learned in college and offers sound solutions and advice for students and their families. Since everyone does not handle money in the same way, Knox gives money management options for readers to find their best way. The book includes helpful worksheets and is written in an easy-to-read style using testimonials and examples that will ring true to students. EBOOK: Basic Marketing William Perreault, Joseph Cannon, E. Jerome McCarthy, 2013-04-16 Built on a strong foundation, Basic Marketing 18e with ConnectPlus and LearnSmart provides an integrated teaching and learning solution for presenting the four Ps framework and managerial orientation with a strategy planning focus. The Perreault franchise was the pioneer of the four Ps in the introductory marketing course. The unifying focus of Basic Marketing has always been on how to make marketing decisions in deciding what customers to focus on and how best to meet their needs. Consistent with our belief in continuous quality improvement, this edition has been critically revised, updated, and rewritten to reflect new concepts, new examples, recent best practices, and to tightly integrate the best digital tools in the industry for ensuring that students are prepared to engage in classroom lectures and pursue future business and marketing careers.
