Content is Currency Jon Wuebben, 2011-12-09 New strategies in SEO and SMM to help grow your business. In the digital age, content is no longer confined to the written page. It is spread across web and mobile, taking the form of podcasts, webinars, widgets and blog posts. Powerful content tells the story of your product or business, but it means nothing if it's not written well, optimized for search and social media and properly marketed. In *Content is Currency*, content strategist Jon Wuebben explains the fine art of content development by utilizing the latest Search Engine Optimization (SEO) and Social Media Marketing (SMM) techniques and provides you with the tools and strategies you need to get your online content noticed. You will learn what types of content best suit your specific business market and industry, how key content tactics influence
