You and Your Profile Hans-Georg Moeller, Paul J. D'Ambrosio, 2021-05-25 More and more we present ourselves and encounter others through profiles A profile shows us not as we are seen directly but how we are perceived by a broader public As we observe how others observe us we calibrate our self presentation accordingly Profile based identity is evident everywhere from pop culture to politics marketing to morality But all too often critics simply denounce this alleged superficiality in defense of some supposedly pure ideal of authentic or sincere expression This book argues that the profile marks an epochal shift in our concept of identity and demonstrates why that matters You and Your Profile blends social theory philosophy and cultural critique to unfold an exploration of the way we have come to experience the world Instead of polemicizing against the profile Hans Georg Moeller and Paul J D Ambrosio outline how it works how we readily apply it in our daily lives and how it shapes our values personally economically and ethically They develop a practical vocabulary of life in the digital age Informed by the

Daoist tradition they suggest strategies for handling the pressure of social media by distancing oneself from one's public face. A deft and wide ranging consideration of our era's identity crisis, this book provides vital clues on how to stay sane in a time of proliferating profiles.

Likeability Trap Alicia Menendez, 2019-11-05 Be nice but not too nice Be successful but not too successful Just be likeable Whatever that means Women are stuck in an impossible bind At work strong women are criticized for being cold and warm women are seen as pushovers An award winning journalist examines this fundamental paradox and empowers readers to let go of old rules and reimagine leadership rather than reinventing themselves Consider that even competent women must appear likeable to successfully negotiate a salary ask for a promotion or take credit for a job well done and that studies show these actions usually make them less likeable And this minefield is doubly loaded when likeability intersects with race ethnicity sexual orientation and parental status Relying on extensive research and interviews and carefully examined personal experience The Likeability Trap delivers an essential examination of the pressure put on women to be amiable at work home and in the public sphere and explores the price women pay for internalizing those demands Rather than advising readers to make themselves likeable Menendez empowers them to examine how they perceive themselves and others and explores how the concept of likeability is riddled with cultural biases Our demands for likeability she argues hinder everyone's progress and power Inspiring thoughtful and often funny The Likeability Trap proposes surprising practical solutions for confronting the cultural patterns holding us back encourages us to value unique talents and styles instead of muting them and to remember that while likeability is part of the game it will not break you [#AskGaryVee](#) Gary
