Orgill, 2015-03-01 The Little White House I'm sittin here and thinkin of memories when I was small I think about so many things and try to remember them all My mind goes back so quickly just like it's yesterday I think about so many things in so many different ways I see me as I came to earth when my parents brought me home I was number six you see and glad I wasn't alone My mother carried me across a bridge and a little crooked walk And up a step and through a door I didn't know how to talk Soon I was surrounded by family warmth and friends In a little white house so tiny just around the bend Now in between those tiny walls there's many tales to tell From doing chores and planting fields and of course the hay to bail I see my mother holding me to silence my little cry She always was at home with me and I will tell you why She had 3 boys 6 girls 3 boys one girl and then the twins I know it was so hard for her but you know she'd do it again Our hair was always curled so fine our faces always clean A little spit on her apron fair I'm sure it was a scene My mind goes back to homemade bread the smell was just so fine I always got the end of course that piece was always mine I remember my first day of school I had a brand new dress And to my side a lunch box full I felt that mine was best After school was over my steps were light and fast For I'd been gone so long it seemed and I was home at last I'd skip across the bridge and run quickly through the door To get a kiss a hug and food and always go back for more We'd sing and laugh and cry and play so many memories there Of all the things we did and said so many things we did share Fifteen children in that home it really is absurd But if you only felt the love and heard those gentle words You'd see the beauty that I see within those tiny walls You'd know that home is more than just how big or just how tall I remember workin' oh so hard in rain and wind and snow Then walk into that tiny house where the cold wind couldn't go I'd take off my boots and coat and gloves and warm my frozen feet It felt so good to be so safe with my family and hot food to eat We often got a lot of looks from folks that didn't know That the people inside that little white house knew how to make love grow They didn't see how we loved and cherished and shared all that we had To us we were as rich and grand as any other lad But soon too many folks did scorn and frown on our little white house Tear it down get rid of it It's too small for even a mouse They said Our houses are so beautiful and yours is quite a sight They tried and tried to make us go they tried with all their might But there you see it to this day the little white house still stands With a crooked walk and a tiny bridge and walls that are so grand You see it is impossible to measure with the eyes How beautiful a home can be unless you look inside But only those who lived in there and made the memories live Can see our mansion around the bend and feel the love it gives A home is not the wood and steel or lawn and things so fine It's mom and dad and family I'm proud to say they're mine The house is very quiet now with mom and dad alone The children have all gone away to make homes of their own But often every single child goes back to visit now Yes 15 souls and many more go back to the Little White House Rosanne Buhler Orgill
