Authentic Leadership Revisited Neil Thompson, 2024-08-06 This important book successfully blends theory and practice to address authentic leadership from a non essentialist angle Drawing extensively on existentialist philosophy it presents an alternative understanding of authenticity that challenges the essentialist notion of selfhood **Team** David Allen, Edward Lamont, 2024-05-21 A groundbreaking book about how to harness the power of collaboration and work most effectively in groups coauthored by Getting Things Done s David Allen When Getting Things Done was published in 2001 it was a game changer By revealing the principles of healthy high performance at an individual level it transformed the experience of work and leisure for millions Twenty years later it has become clear that the best way to build on that success is at the team level and one of the most frequently asked questions by dedicated GTD users is how to get an entire team onboard By building on the effectiveness of what GTD does for individuals Team will offer a better way of working in an organization while simultaneously nourishing a culture that allows individuals skills to flourish Using case studies from some of the world s largest and most successful companies Team shows how leaders have employed the principles of team productivity to improve communication enable effective execution and reduce stress on team members These principles are increasingly important in the post pandemic workplace where the very nature of how people work together has changed so dramatically Team is the most significant addition to the GTD canon since the original and in offering a roadmap for building a culture of healthy high performance will be welcomed by readers working in any sized group or organization **Time Wise** Amantha Imber, 2023-04-25 Discover productivity secrets from the world s foremost thinkers leaders and entrepreneurs High achievers most definitely approach their workday differently This book gives access to the secrets and strategies they ve found for making things work From Wharton Professor Adam Grant s trick to get into flow when he starts work Google s Executive Productivity Advisor Laura Mae Martin and her inbox shape shifting to Cal Newport s multiple kaban boards this isn t your typical productivity book You know the basics and have heard the swallow the frog platitudes Time Wise goes deeper and unveils some of the more counterintuitive but effective time management methods that boost your productivity Some of the high achievers featured along with their personal strategies include Adam Alter setting systems instead of goals Rita McGrath who consults her own personal board of directors Jake Knapp who focuses on the one important thing of the day and Oliver Burkeman s approach to beating the to do list This book will allow you to master the superpower of using your time wisely to achieve success in business life and beyond Praise for Time Wise This charming book will save you more time than it takes to read Adam Grant New York Times bestselling author of Think Again A must read This book will transform how you approach your workday Greg McKeown New York Times bestselling author of Effortless and Essentialism Read this book Jake Knapp bestselling author of Sprint and Make Time Bursting with actionable ideas on how to use your time better Nir Eyal author of Indistractable **Managing People in the New Normal** Richie Perera, 2022-12-06 About the Book The

world of work has changed dramatically We now live in a world where the use of terms such as hybrid working and the new normal have become the norm words never uttered in the world of work before the pandemic Technology such as Zoom and Teams which now play a crucial and integral part in the way we work was unheard of The new normal whatever it is and whatever it will become brings with it a host of new challenges for organisations and managers These challenges are brand new and unique They have not been explored or studied to establish best practices for the new normal we now work and live in It has left organisations and managers disorientated Whether you are a shareholder a business owner a CEO a manager or the managed this book outlines new thoughts and principles for managing people in the new normal based on mental health and wellbeing New thought and principles that can leverage the human element to shift the thinking and behaviour of organisations It presents an ideology based on human connection and wellbeing with the power to slingshot the working world into a far better and brighter future If you work you must read [A History of the Office and Office Work](#) Rob Harris, 2025-04-08 This book brings together the office and office working as an economic construct as a business function as a building type and as a mode of work It explores social and economic relations and it traces the evolution of work and the environment and equipment needed to support it over the last 400 years In so doing it helps to fill a void in popular understanding of the office The role of the office has been examined over the past three years in ways that it has never been examined before Whilst the existential crisis arising from COVID 19 has settled somewhat there remain big questions over the future of office workers and office real estate This book is a timely well researched and fascinating contribution to the debate Rob Harris explores how the nature of work has changed and continues to change placing the events surrounding COVID 19 into a longer term perspective and asking what is the future of the office Will it go through a radical reinvention How will office work evolve in the future Whither office buildings The book emphasises the continuum of change and that today's events are simply the latest stage of change rather than something entirely novel This book will be of interest to anyone with a stake in the built environment whether as an investor occupier owner manager or advisor It is equally accessible to those with a non technical background including students on courses such as economic history economics geography real estate and urban planning *ECMLG 2022 18th European Conference on Management, Leadership and Governance* Florinda Matos, 2022-11-10 **Simple Fun for Busy People** Gary Krane, 1999-08 Subtitled 333 free ways to enjoy your loved ones more in the time you have [Global Voice #21](#) Council on Business & Society, Welcome to Global Voice magazine 21 Out of the Tin Can This spring issue of the Council on Business Society's quarterly magazine contains 96 pages of research and opinion based articles featured in two sections Business Society and Leadership Management We're delighted to include a special double page dedicated to two new CoBS Deans Dean Lee Newman and Dean Yu Sakasume having respectively taken up their functions at leading member institutions IE Business School Spain and Keio Business School Japan This issue's Editorial also features a spotlight on the unique value case studies bring to the learning experience

co authored by Richard McCracken Director of The Case Centre the world's leading independent home of the case method and Prof Adrian Zicari of the Council on Business Society A wry and playful glance at business buzz words and maybe even the state of our hectic modern society is included in our double page cartoon penned by Tom Gamble of the CoBS and illustrated by Matthieu Anziani of ESSEC Business School And as usual hats off to the superb Global Voice graphic design by CoBS Head of Design M lissa Guillou Faculty practitioner and student articles provide the bread and butter of this issue with topics covering big data and customer value how to manage remote working designing mentorship programmes TechForGood greening up supply chains with circular economy strategy non financial social and environmental disclosure and a spotlight on smart cities in Japan among others And lastly you may ask why this issue carries the subtitle Out of the Tin Can The temptation is to say that it's up to you to interpret it for there are many interpretations possible Some of these might point to the David Bowie classic Space Oddity and the fact that at last many of us in our societies are once again able to step out of the confinement imposed by the pandemic to breath freely again Another interpretation hand in hand with the snappy front cover image might refer to Andy Warhol's iconic pop art consumerism or simply the tastiness of the contents the tin cans hold a little like the insights in this magazine if I dare say And lastly the shades of green to the cans give the message that our consuming society might well contain a new and more responsible sustainable taste to it In any case we hope you download this Global Voice 21 issue open it up and consume its insights with immoderation Enjoy your reading
