Simple Newsletter Business Ideas Guide For Millennials:

Stupid Enough to Succeed Jeff Naeem, 2017-08-02 *Stupid Enough to Succeed* opens the door to the most contemporary business start up methods available to today's entrepreneur. The book guides and inspires youthpreneurs on the most cost efficient ways to ramp up their real world businesses quickly. Written by a millennial for the millennial generation, this is not your father's start up guide. *Start Your Own Online Coupon or Daily Deal Business* Rich Mintzer, Entrepreneur magazine, 2013-08-19 Unlike old school design your own coupon book titles, this book moves straight into computer technology and proceeds to the latest trend in couponing apps which provide deals to mobile users in any location. Many daily deal businesses do not work to enhance the experience for their merchants. Readers, however, can learn how to do so. Experts in the industry are also included, such as Marc Horne, co-creator of Daily Deal Builder, who discusses what it takes to build a daily deal site. David Teichner, CEO of Yowza, who brought deal apps to iPhones, and several business owners who have tried their luck at running daily deal. They discuss what they have learned from the process. Currently, there are few, if any, other books on how to start a daily deal business, and the coupon books focus on how to use coupons and even on extreme couponing but not on running an online coupon business. This is a unique title which provides those who enjoy offering deals and discounts to get started in an industry that is still growing. **Online Coupon or Daily Deal Business** Rich Mintzer, Entrepreneur magazine, 2013-09-16 Unlike old school design your own coupon book titles, this book moves straight into computer technology and proceeds to the latest trend in couponing apps which provide deals to mobile users wherever they may be. Included within, readers will find how to build an online network of followers which can translate into customers. Attract merchants. Join affiliate coupon or daily deal programs. Find your niche market. Create an aggregator site in which you present the best of the best from daily deal or coupon websites. Market your coupon or daily deal site through the social media. Of particular interest is a chapter devoted to working closely with your merchants to provide coaching and guidance on how the daily deal industry works from their perspective.
