book will serve anyone with the desire to improve their understanding of quality customer service **Customer Service - Simple Steps to Win, Insights and Opportunities for Maxing Out Success** Gerard Blokdijk, 2015-11-18 Starting out with Customer Service means being unsure about what to do how to start and how to get the most out of it preparing for success and avoiding failure There is enormous satisfaction in seeing the change succeed overcoming the obstacles in the way to reap the rewards and benefits that using Customer Service brings Don't embark on the change unprepared or it will be doomed to fail But it's my guess that since you're reading this the forces of change have already been set in motion and there is no going back What you need is the resources knowledge and confidence required to overcome uncertainty and face Customer Service changes The job can be accomplished by having a roadmap and experiences from previous Customer Service changes This is where this book is your guide and roadmap You will be able to relate to the experiences laid out in its resources covering all aspects of any Customer Service initiative Use it and its INCLUDED Working Documents for Leaders to get a strong foundation It will provide aid advice blueprints road maps and templates when you need it most The book reflects the reality that the fastest way to learn about Customer Service is from experiences knowing about the ins and outs of employment and career developments trends and popularity relevant knowledge and patents AND the INCLUDED downloadable resources on Customer Service Blueprints Templates and Presentations Working Documents for Leaders Whatever makes you decide to take on the change growing business initiatives or career development plans you are ready for a Customer Service Change The book and accompanying toolkit is your gateway and will fully support your commitment in moving forward and energize yourself and others *Surviving Customer Service* Donovan Jenson, 2017-03-29 I have a few questions for you Are you miserable at work every day What are you getting out of your job Have you seen promotion opportunities open for you Do you have good relationships with coworkers How often are you stressed out even after you get home Does feedback from your boss make you feel proud or frustrated I fully understand those frustrations and having been through all of them and more I want to help By sharing the principles I've learned in customer support roles hopefully I can cut your learning curve and increase job satisfaction In addition to sharing actionable insights on how to improve in your role this book includes sections poking around important personal questions Why even care about your customer service job What can you gain from these jobs How do you benefit from giving a full effort I bet many of you are leaving opportunities on the table and wasting your valuable time just like I did when I first started This book contains the same advice I'd give to my younger siblings a new coworker or a stranger on the street I've done everything I can to refine my ideas and present them in a simple yet impactful way I've illustrated the concepts using a mix of personal experience thought experiments and logic to give you multiple perspectives Between these varied styles I'm confident you'll gain at least a few valuable insights as you move forward in customer service 6 Keys to Success Through Customer Service John L. Myers, Tara A. Blanc, 1999-01-01 A customer service position can be a very demanding job But if you understand basic service skills in six key areas that will

make you a more effective service provider it can be one of the most rewarding jobs in the world **Excelling at Customer Service** Sorin Dumitrascu, 2017-04 As the saying goes You can't create the house before you build the foundation That's why the first course in this customer service series focuses on building the foundation of excellent service The goals are to Explore the basic concept of corporate culture Recognise how culture directly impacts service Identify barriers to service excellence Strengthening your internal environment impacts your external customer service as well When workplace bonds grow so do customer relationships The result is better performance productivity and increased success If you think your goal in giving good customer service is satisfying the customer think again The slogan Satisfaction Guaranteed just isn't enough in today's highly competitive marketplace This course focuses on how the customer service game has changed and how you can become a much better player Today customer satisfaction is worth relatively little but customer loyalty is priceless And loyalty requires excellence This course will give you a new perspective on the meaning of service offer guidelines for setting service standards provide strategies for excellence from service stars Wal Mart founder Sam Walton said it best There is only one boss the customer And he can fire anybody in the company from the chairman on down simply by spending his money somewhere else Buying into the power of the customer is an important step to developing service excellence But how can you help your organization grow if the power base is elsewhere You'll learn to hear the customer's voice by Recognizing and anticipating customer expectations Focusing on the five primary service factors Another area of importance is how to collect information about the customer You don't have to be a secret agent like James Bond to gather intelligence on clients By completing this course you'll master methods of compiling customer data and feedback The final lesson in hearing your customer is creating compatibility Identify how to align your services with each customer and gain lasting commitment You've worked so hard to achieve service excellence and now you are ready to pick up the pace to make you a service leader In this course advancing your service skills is the focus You'll put the phrase going above and beyond the call of duty into action There are four major components in this course to move you up a notch to a new level of customer service Think of them as ACTIONS you'll be incorporating into your daily work behaviors You'll be Setting the bar for over the top service Capturing customer commitment face to face Answering the call for great phone service Making e-mail memorable How often do you wake up and say I hope all my customers are nice today That's because it is easy to be nice to nice customers The challenge is in providing service to customers who are not happy whatever the reason The only thing that can torpedo your day more than a confrontational customer is not knowing how to handle one Handle means to get to the root of the problem fix it and create good customers out of conflict situations In this course you'll explore How to create a confrontational customer How to communicate with difficult customers Handling conflict and complaints face to face Handling conflict and complaints over the phone Rebuilding customer relationships during and after conflict There will be customers in your life that you politely refer to as problem customers One such customer consistently hurls challenges your way Another type is so aggressive that

one situation alone is enough to earn him the distinction This course is designed to give you the skills to make problem customers some of your best Now that s not as crazy as it sounds Here s why If you have the ability to turn a difficult situation into a positive outcome that s memorable service
