48 Home Business Ideas Guide Manuela Willbold, Fernando Raymond, Introduction Your time is limited so don't waste it living someone else's life. Don't be trapped by dogma which is living with the results of other people's thinking. Don't let the noise of others' opinions drown out your own inner voice. And most important, have the courage to follow your heart and intuition. They somehow already know what you truly want to become. Everything else is secondary. Steve Jobs. Co-founder of Apple. Have you ever really taken the time to think about what you actually want out of your own life? It's not an easy task and many people don't make the effort as they probably feel it's not that important. But if you're in a place where you're questioning your lifestyle and what you do for a living, then this should be the first step you take to identify what you really want to spend the majority of your time doing. At ClickDo Ltd, a digital marketing SEO agency in London, the authors do what they love every single day and with this book they want to provide you with inspiration to find something you can see yourself doing in the near future. The Social Media Strategist: Build a Successful Program from the Inside Out Christopher Barger,2011-12-20 Build a powerful social media strategy to increase buzz and the bottom line Whether you re Fortune 500 or a small business owner if you re looking for success in this field you owe it to yourself to read this book George G Smith Jr Social Strategist PepsiCo After working with hundreds of organizations in their efforts to adopt social technologies I can safely say The Social Media Strategist is the best guide available Christopher Barger elevates the social media conversation with an experienced pragmatic insider s discussion about real adoption This book should be on every corporate and agency practitioner s shelf

Geoff Livingston author of *Welcome to the Fifth Estate* and *Now Is Gone* This book is an absolute must read for anyone seeking to better understand how to plug social media into their business from both a strategic and an operational standpoint and should be required reading for communications and business management students around the world

Olivier A Blanchard author of *Social Media ROI* The *Social Media Strategist* is refreshing because it has substance amidst a sea of social media superficiality It will help you think strategically and realistically so you can act efficiently and creatively If you're serious about business and committed about leveraging social media you need to read this book

Esteban Contreras Social Media Marketing Manager Samsung USA Christopher offers a refreshing point of view as a seasoned practitioner and leader in the earliest days of the social media evolution He describes the challenges of large scale internal change and the rewards of integrating social media business planning and he shares real world examples of successful campaigns

Shauna Causey Head of Social Media Nordstrom About the Book In today's fast paced professional climate large companies are learning that launching a website and taking a wait and see approach to engaging customers is not enough Competition is fierce and those who master the social media space are the ones who come out on top There is greater urgency than ever before to establish a vibrant social media program and it all starts with a key strategist who can best organize and leverage all of the organization's resources to cut through the bureaucracy and get real time results This is where *The Social Media Strategist* comes in

Before tackling specific social media programs you first have to get your own organization and everyone in it on board with making social media a business strategy priority

Christopher Barger the award winning former social media director at General Motors and IBM's former blogger in chief describes all the challenges particular to getting a comprehensive social media program off the ground in a large firm

The *Social Media Strategist* teaches you how to Manage internal office politics from your legal team to the policy makers to the human resource department Present new ideas to lawyers and executives in a compelling convincing way Teach your employees the guidelines and protocols they'll need to represent your company Turn your organization into a true media outlet publishing content that is generated by in house employees and is truly engaging to an outside audience

Telling a company from the outside what it should do is one thing writes Barger Actually making it happen from the inside is quite another Here he takes the bold step of starting where all successful endeavors begin by planning well by putting all the moving parts in the right place by constructing a solid foundation

Consult *The Social Media Strategist* and build the best suited social media infrastructure for your company Then and only then can you begin to raise your profile connect with customers and increase your profits using the most powerful new business tool
