[A N00b's Guide to WordPress](#) BookCaps, Erin Micheletti, 2011 Ask most bloggers what they use and they'll say Blogger. And why shouldn't they? Blog is right smack in the title. And Google owns it and we all love Google, right?

Blogger is also ridiculously simple so simple that any dummy with a computer can use it which is how as a matter of fact so many crazy people get on syndicated news shows hint if you want to get on a syndicated news show just say something crazy and far fetched So Blogger wait This book isn't about Blogger If Blogger is so ridiculously simple why would anyone want to use WordPress Easy because WordPress can put Bloggers blogsack in a knot if the two go fist to cuffs WordPress is powered by fancy things like PHP and MySQL and is often used as a CMS in web design Not sure what those words mean We'll get that shortly but for now just understand that they are unbelievably powerful If you want to create a blog about different socks your grandma has sewn you for Christmas then Blogger's a pretty good fit but if you want to create a blog that's knock your socks off gorgeous then read on and we'll show you how Before continuing be forewarned this is not an in depth manual that covers the tiniest details about WordPress this is a handbook for starters who want to master it quickly or just want to know what it's all about We are going to tell you everything you need to know in a way that you can understand

School Library Journal, 2009 **Blogging for Beginners** Brian Wood, 2020-01-17 Your blog should be your business Blogging is not always about making money but if that comes your way you should make the most of it And that is what this book communicates Every blog has the unique components that make it a business and bloggers must know how to monetize their ideas and market their weblogs This book offers a classic guide for beginners by teaching all the steps required to start a blog It goes further to induce more knowledge about converting a blog into a money machine which is what bloggers should be dreaming about For people looking for ways to take their blogs to the next level this is the source that offers little known tips that are essential to building a successful blog The book is 12 chapters that are subdivided to tackle different topics addressing the main issues in the blogging world in a logically progressive manner From its introduction through the body that has tips on affiliate marketing creating digital products and all the marketing techniques to the conclusion this book serves its purpose to the letter It is all about creating a blog from scratch maintaining monetizing and promoting the blog with useful resources Blogging is a battle with millions of contestants going against each other for the top spot every day goes the phrase that makes it a compelling subject that readers must have if they want to win the war Spun in a conversational tone with lots of motivational phrases to spark action among readers looking to get started **BLOGGING FOR BEGINNERS THE ULTIMATE BEGINNERS GUIDE TO MAKE A LIVING FROM BLOGGING IN 1 HOUR A DAY** is a must read if you are looking for inspiration to ignite your blogging interest
