Conservative Party Politics

Stuart Ball

Conservative Party Politics:

Conservative Party Politicians at the Turn of the 20th/21st Centuries: Their Attitudes, Behaviour and Background Dr Nigel Gervas Meek, 2012 Using data collected from one of the most comprehensive quantitative surveys of its type Conservative party politicians at the turn of the 20th 21st centuries offers an authoritative insight into the behaviour background and attitudes of Conservative politicians in England Scotland and Wales at all levels from local councillors to MPs Peers and MEPs *The Conservative Party Since 1945* Stuart Ball, 1998 The Conservative Party has been a dominant force in postwar British politics This book explores the 50 years from Winston Churchill s defeat in 1945 to the long tenure of Margaret Thatcher then John Major Themes and events of the period are brought vividly to life through the views and reactions of those involved **The territorial Conservative Party** Alan Convery, 2016-07-15 How did the territorial Conservative Party adapt to devolution This detailed analysis of the Scottish and Welsh Conservative Parties explains how they moved from campaigning against devolution to sitting in the Scottish Parliament and Welsh Assembly Tracing the processes of party change in both parties this study explains why the Welsh Conservatives unexpectedly embraced devolution while the Scottish Conservatives took much longer to accept that Westminster was no longer the priority This book will be of interest to students of British Scottish and Welsh politics and anyone who is interested in the Conservative Party It also speaks to wider debates about the nature of devolution party change and multi level governance **The Conservative Party After Brexit** Tim Bale, 2023-03-13 The Conservative Party has long laid claim to being the world s most successful political party not least because it is also one of the most adaptable often appearing to do and say pretty much whatever it takes to win But has it now shot itself in the foot by trying too hard to fight off Nigel Farage Since the UK voted to leave the EU back in 2016 the Tories have arguably done more than simply re shape themselves rather they seem to have transformed themselves from a mainstream centre right party into an ersatz radical right wing populist outfit one characterized by an often counter intuitive combination of culture war concerns on the one hand and free market fundamentalism on the other In this compelling and persuasively argued book Tim Bale one of the country s foremost experts on contemporary British politics takes us on a rollercoaster ride through the Conservatives fortunes over the last decade From the bombshell Brexit referendum through the chaotic premierships of Theresa May Boris Johnson and Liz Truss to the party s electoral comeuppance under Rishi Sunak and its attempted renewal with Kemi Badenoch at the helm Bale tells the fascinating tale of a party that in just a few short years has gone from nervous breakdown to top of the world and back again **True Blues** Paul Whiteley, Patrick Seyd, Jeremy Richardson, 1994-10-13 The Conservative Party is one of the most successful political parties in the western world Its success has been built on its large grass roots membership And yet that membership appears to be increasingly disaffected and in decline This book is the first in depth study of this crucial section of the Conservative Party Drawing on new and revealing survey data it paints a fascinating picture of the social make up and political views of a

grass roots membership who dislike Jacques Delors more than the European Community and The Sun newspaper most of all the book challenges the stereotypical view of the Conservative activist as an eccentric and politically irrelevant Thatcher loving extremist Instead the authors argue that the grass roots membership are the unsung heroes of political life helping to keep the party system working and democracy intact at a time when it is under considerable strain The authors claim that to some extent the party is the author of its own problems and point out the likely dire consequences for its future success if the current decline continues They conclude by outlining the ways in which the leadership might revitalize its most important political asset

The Conservatives Since 1945 Tim Bale, 2012-09-20 The Conservatives since 1945 is about how and why parties in general and the Conservative Party in particular make changes to the face they present to the electorate the way they organize themselves and the policies they come up with This is an in depth but comprehensive study based on original archival sources

Peace, War and Party Politics Geoffrey Hicks, 2007 This book examines the mid Victorian Conservative Party s significant but overlooked role in British foreign policy and in contemporary debate about Britain s relations with Europe

The Conservative Party Tim Bale, 2017-01-19 The Conservatives are back and back with a bang two election wins in a row and providing they can hold things together in a pretty good position to win another But many questions about their recent past present and future still remain Just why did the worlds oldest and most successful political party dump Margaret Thatcher only to commit electoral suicide under John Major And what stopped the Tories getting their act together until David Cameron came along Did Cameron change his party as much as he sometimes liked to claim or did his leadership both in opposition and in government involve more compromise and more Conservatism than we realize Finally what does the result of the EU referendum mean for the Party in years to come The answers as this accessible and gripping book shows are as intriguing and provocative as the questions Based on in depth research and interviews with the key players Tim Bale explains how and why the Tories lost power in 1997 and how and why they have eventually been able to rediscover their winning ways even if internal tensions and external challenges mean they still cant take anything for granted Crucial he suggests are the people the power structures the ideas and the very different interests of those involved This second edition of *The Conservative Party From Thatcher to Cameron* is a must read for anyone wanting to understand what makes the Tories tick

Peel and the Conservative Party George Kitson Clark, 1964 *The Saturday Review of Politics, Literature, Science and Art*, 1879

Peel and the Conservative Party George Sidney Roberts Kitson Clark, 1929

The Conservative Nation Andrew Gamble, 1974

The Conservative Party from Peel to Thatcher Robert Blake, 1985

The Mind of the Nation: a Study of Political Thought in the Nineteenth Century Marcus R. P. Dorman, 1900

True Blues Paul Whiteley, Patrick Seyd, Jeremy John Richardson, The Conservative Party has been one of the most successful political parties in the Western World and yet their membership is increasingly disaffected and in decline This is an in depth examination of the Party s grass roots that looks at who they are and what they think

Conservative Party

Conferences Richard N. Kelly,1989 **The Conservative Party and British Politics 1902 - 1951** Stuart Ball,2014-01-14
The history of the Conservative Party during the first half of the twentieth century was marked by crisis and controversy from Joseph Chamberlain s tariff reform campaign through the Lloyd George coalition and the National Government between the wars to the defeat of 1945 and the post war recovery This study provides a lucid account of this turbulent and formative period in the history of the most durable and adaptive force in modern British politics Peel and the Conservative Party
George Sidney Roberts Kitson Clark,1964 *Political Letters and Speeches of George, XIIIth Earl of Pembroke and Montgomery* George Robert Charles Herbert Pembroke (13th Earl of),1896 **The Saturday Review of Politics, Literature, Science and Art** ,1935

Whispering the Techniques of Language: An Emotional Journey through **Conservative Party Politics**

In a digitally-driven world where screens reign supreme and quick connection drowns out the subtleties of language, the profound techniques and emotional nuances hidden within words often go unheard. Yet, located within the pages of **Conservative Party Politics** a captivating fictional value pulsing with fresh feelings, lies a fantastic quest waiting to be undertaken. Published by a talented wordsmith, this charming opus invites visitors on an introspective trip, gently unraveling the veiled truths and profound influence resonating within the material of each and every word. Within the mental depths of the moving review, we shall embark upon a genuine exploration of the book's core subjects, dissect their interesting writing style, and yield to the powerful resonance it evokes strong within the recesses of readers' hearts.
