Consider Her Ways And Others:

Consider Her Ways & Others John Wyndham, 1968 **Consider Her Ways, & Others, [by] John Wyndham** John Wyndham, Harry Willock, 1965 Consider Her Ways Frederick Philip Grove, 2002-02-15 Originally published in 1947 this is Frederick Philip Grove's last and most unique book In the tradition of Orwell's *Animal Farm* Grove examines the idea of a utopian society through the story of a group of travelling ants who find themselves in North America An amateur scientist encounters the colony and makes telepathic contact with a very special elder of the ant community In fact the ant infuses the scientist with her memory and uses her new friend as a medium through which she tells the colony's incredible story a tale that holds up a mirror to our culture demonstrating to both worlds the parallels and contrasts between the pastoral ways of the ants and the North American life of excess This classic Canadian novel is back in print for the first time in 20 years allowing readers to more completely assess Grove's body of works Fans of speculative fiction will be delighted to see that his prose is as fresh as it was 50 years ago This was Grove's last novel and it stands as a testament both to his writing and his prescience **Railroad Trainmen's Journal** , 1888 Selections from the Proverbs of Solomon and Other Parts of Holy Scripture, Classified ... for Memory Lessons in ...
