Knowing Jesus

Consider Jesus

William Mason

Consider Jesus:

Consider Jesus Elizabeth A. Johnson, 1992-01 A general introduction to christology presents major themes about Jesus in accessible language **Consider Jesus; Or, Thoughts for Daily Duty, Service, and Suffering** Octavius Winslow, 1870

An invitation to take one week to Consider Jesus Andrew McIlroy, 2020-05-12 What an amazing thing it is to be loved by someone But how totally awesome and mind blowing it is when we think about the fact that the one who loves us knows everything about us the good the bad and the sometimes very very ugly How do He know Because the one who loves us in a way that no one else ever has claims to be God Himself And there is more not only does he love us unconditionally Jesus made this declaration My purpose is to give them a rich and satisfying life He offers to us Forgiveness Peace Purpose Joy Meaning Safety Significance Direction in life and so much more Then think of the fact that not only do we have the offer of life here and now we also have the promise of Heaven when we die We also need to think about the fact that the bible teaches us that Jesus is the only way we can get to Heaven Acts 4 12 There is salvation in no one else God has given no other name under heaven by which we must be saved If that is true and remembering that the Bible says believing in Jesus is a life and death matter For the wages of sin is death but the free gift of God is eternal life through Christ Jesus our Lord Romans 6 23 Does it not make sense to take some time to think for yourself about who Jesus is and what He has done for you This is your invitation to take a few minutes every day for a week to Consider Jesus So make yourself comfortable sit down in a quiet place and spend a few minutes thinking about Jesus Consider Jesus Donald R. Jacobs, 2006-10-20 Just when we think we have discovered all there is to know about Jesus another world of God's grace often opens to us and we see things differently God invites us to consider Jesus again and again Each change of need or circumstance in our lives is a new opportunity for Jesus to reveal himself in all his available fullness Donald R Jacobs holds up the book of Hebrews like a mirror and shares daily reflections on how he lets Jesus speak in and through his life Don's meditations one for each day of the year glimpse the way to the peace power hope and healing of Jesus as he is revealed in this challenging and enigmatic New Testament book Don urges readers to consider Jesus as the key to all of life CONSIDER JESUS Octavius Winslow, Is not this the carpenter's son Matthew 13 55 What a remarkable fact in the history of Jesus does this question asked with mingled surprise and contempt betray It presents Him in a point of light in which perhaps few have paused to study Him and yet than which there is scarcely another more real and instructive It invites us to consider Jesus as the Son of man as the son of a carpenter and in all probability until He began to be about thirty years of age assisting Joseph in his humble calling Hence it was asked concerning Jesus Is not this the carpenter How truly did the Son of God identify Himself with the humanity and the curse He came to ransom and remove And when we see those hands which built the universe building earthly dwellings for man squaring the beam plying the saw thrusting the plane driving the nail constructing and raising the framework we behold personally Him tasting the bitterness of that part of the curse which enjoined In the sweat of your face shall you eat bread

Consider Christ Paul Chappell,2008-06-07 Who is Jesus Christ There is not a more important question that you will ever consider The history of the world has been changed by this one question More importantly millions of lives over the centuries have been transformed by this one consideration Entire movements have been formed simply to try to redefine Jesus Christ Major world religions are based upon a variety of definitions and no other name sparks more offense and emotion in a variety of cultural settings than His name Who is Jesus You could never consider a more important question In this booklet you will discover what the Bible says about Jesus and what Jesus said about Himself You will be challenged to set aside the attempts of men to redefine Him You will be encouraged to embrace the truth that He taught and verified during His life Consider Christ Who is Jesus Explore the question and find the answer from Jesus own teachings Your life will never be the same

Consider Jesus Christ Harold B. Bullock,1999-11-01 **The Youth's Magazine, Or, Evangelical Miscellany** ,1836

Who Do You Think You Are Emmanuel Upputuru,2023-07-10 At the age of 33 Emmanuel Upputuru India s hottest creative person finds himself frustrated by physical injuries that have begun to cage his body He embarks on a journey of self discovery that unveils a shocking truth about his very existence his identity was stolen from him before he ever set foot on this earth The probe leads him to a scene of robbery and murder in a garden and to a place of skull in Jerusalem where a war was waged on his behalf by a lamb with a mission to restore his original identity But what was Emmanuel s original identity Are we just our bodies How do we cope with physical pain What are the three core fears of mankind How can we be born again These are some of the questions Emmanuel seeks to answer in his book *Who Do You Think You Are* Written over a period of eighteen years using anecdotes from the advertising and cricket world Emmanuel offers a radical take on the complex subject of Man s Identity *Who Do You Think You Are* is an urgent book for a broken world It can help us discover our true identity Armed with this identity we can respond to conflicts better and conquer ourselves even as the world around us continues to trigger troll fight divorce and threaten to nuke itself A Season of Glory Dick Braswell,2010-08-17 A

Christ Ernest DeWitt Burton,1912 **Consider Jesus** Vance Havner,2017-08-20 If you ve never read Vance Havner s writings I can t think of a better place to start than this little volume of short devotionals Every page is vintage Havner In his foreword Dennis Hester writes These brief meditations are powerful Bible centered truths written in the same witty and prophetic style for which Havner is loved and known He continues Consider Jesus is filled with Havner s priceless wit and practical wisdom The author takes time to reflect on his walking and talking with God Havner s love for nature his devotion to Jesus Christ and his ability to apply eternal truths to everyday living are refreshing stimulating and encouraging Havner himself writes in the first of these devotionals No life is great that does not point to Christ In these pages many verses are called to mind Start from any of them and the path leads to him Satan will go to any lengths to keep you from considering the Lord If he can put you to riding the hobby of a favorite doctrine if he can get you to look back at yesterday s failures or ahead to tomorrow s dreads or around at the array of circumstances or within at your own weakness and poverty anywhere but looking unto Jesus then he is satisfied So let us pause a moment and take a fresh look at Jesus lest we be wearied and faint in our minds The Christian Advocate ,1929
