Considering The Horse Tales Of Problems Solved And Lessons Learned:

Considering the Horse Mark Rashid, 2010-10-06 A Colorado clone of James Herriot reveals the evolution of his trainingskills through well told For the Love of the Horse Mark Rashid, 2022-10-14 A favorite storyteller sheds new light on the never ending process of becoming better for the horse Over 30 years ago renowned horseman and popular storyteller Mark Rashid s first book Considering the Horse was published In it he shared his experiences with horses and people subtly delivering practical lessons in horsemanship and life in a conversational style that resonated with audiences around the world Now Rashid considers all that has happened in the years that have passed since that first book was published the transformative moments and impactful individuals who have helped shape his philosophies and methods since then With his distinctive voice he shepherds readers through topics of relevance in the equestrian industry while telling more of his life story resulting in an engaging memoir style read that remains rich in nuggets of wisdom that you can put right to work in your daily interactions with horses In For the Love of the Horse Rashid explores Ways he tried to find his own way of being with horses without actually knowing what he was looking for How the art of aikido and the teachers he had changed his ideas about life and relationships outside the dojo How it feels to be soft and how it feels to not be and how Rashid learned to stay true to the principles of softness as he understood them regardless of the situation How he broke out of the pattern of assigning human emotions and comprehension to horses The impact neuroscientist Dr Steve Peters had on Rashid s understanding of the horse s behaviors and responses and how they correlate to what is actually going on in the horse s brain The power of observation and learning how to be still even in the midst of activity The difference between trying to connect with the horse versus allowing the horse to connect with you How over time Rashid has shifted from trying techniques that alter a horse s behavior to adjusting his own thoughts emotions and behaviors in order to help the horse feel safer In his familiar way Rashid takes readers on a journey that rewards with both adventure and education finding new inroads in our attempts to become better company and fairer caregivers to horses With his thoughtful lifetime of study leading by example we are all encouraged to consider how far horsemanship has come and how bright its future might be Finding the Missed Path Mark Rashid, 2025-11-04 Horses are a lot like people says renowned horseman Mark Rashid When there are gaps in understanding confusion and thus frustration worry and even anger are sure to follow Horses often grow up with these gaps in their training and education When this happens it can be difficult for the horse to be a willing partner to a human and he may need to be restarted that is given a second chance to learn what is expected of him and how he can find a place where he is confident and comfortable both beside a handler and beneath a rider In order to restart a horse successfully we need to know how to retrace the steps the horse s education has taken and find the path missed the first time around In this book the first of the expansive library of books penned by Rashid to include full color photographs readers are guided through practical steps for restarting horses using Rashid s simple yet impactful concepts derived from years of study of martial arts

We walk along with him as he proceeds with the quiet sorting of experience that provides the insight we need to give any horse the new beginning he deserves **Horses Never Lie** Mark Rashid,2011-07-06 In *Horses Never Lie* renowned horse trainer Mark Rashid challenges the conventional wisdom of alpha leadership and teaches the reader to become a passive leader a counterpart to the kind of horse other members of a herd choose to associate with and to follow Applying Rashid s principles and techniques helps cultivate horse personalities that are responsive and dependable regardless of the rider Reliving Rashid s experiences with him you will come to feel the same sort of compassion and appreciation for your horses that you do for the people in your life This new edition features added introductory notes for each chapter that contribute to a more complete understanding of Rashid s methods and philosophy *Wake Me Up When the Data Is Over* Lori L. Silverman,2006-09-18 This book includes real life examples from over 70 respected organizations small and large representing a multitude of industries using stories to drive results Leaders from organizations such as Microsoft Lands End Verizon U S Air Force and World Vision demonstrate the strong positive influence stories can have No abstract theories or platitudes are conveyed here The book spells out how Kevin Roberts CEO worldwide of Saatchi Saatchi achieved sustained sales growth after several mergers and downsizings caused the organization to fall on hard times It also shows how Erik Shaw president and CEO of FivePoint Federal Credit Union overcame resistance to an organizational name change resulting in membership growth exceeding the national average **You and Your Horse** Dandi Daley Mackall,2009-01-06 A guide to help young owners get used to their horses Discusses horse senses how they communicate how to communicate with them physical characteristics classifying horses behavior and training **The Liminal Horse** Rena Maguire,Anastasija Ropa,2021-12-31 The historical horse is at once material and abstract as is the notion of the border Borders and frontiers are not only markers delineating geographical spaces but also mental constructs there are borders between order and disorder between what is permitted and what is prohibited Boundaries and liminal spaces also exist in the material economic political moral legal and religious spheres In this volume the contributing authors explore the theme of the liminality of the horse in all of these historical arenas asking how does one reconcile the very different roles played by the horse in human history
