## **Conspiracy Of Evil:**

*The Conspiracy of Evil* Christian Jacq, 2006 Despite the best efforts of the Pharaoh Senusret and his generals the beautiful acacia tree of Abydos is dying But the beautiful priestess Isis has an idea to save the Tree of Life a new pyramid must be built in honour of Osiris Senusret agrees to the plan but what the pharaoh doesn't know is that a triple conspiracy has been hatched against him On the one hand the Herald the bearded devil who preaches to the desert tribes has decided to seize power by having the pharaoh murdered On the other within Senusret's own court an ambitious thieving traitor is plotting to get rid of his master Finally Iker the scribe deceived by appearances believes that the time has come to settle his scores Never has the pharaoh seemed so alone or so vulnerable And never before has the future of Egypt been in such great peril

**Conspiracy Of Evil** Lonsway J. R., 2018 **Evil Incarnate** David Frankfurter, 2018-06-05 In the 1980s America was gripped by widespread panics about Satanic cults Conspiracy theories abounded about groups who were allegedly abusing children in day care centers impregnating girls for infant sacrifice brainwashing adults and even controlling the highest levels of government As historian of religions David Frankfurter listened to these sinister theories it occurred to him how strikingly similar they were to those that swept parts of the early Christian world early modern Europe and postcolonial Africa He began to investigate the social and psychological patterns that give rise to these myths Thus was born *Evil Incarnate* a riveting analysis of the mythology of evil conspiracy The first work to provide an in depth analysis of the topic the book uses anthropology the history of religion sociology and psychoanalytic theory to answer the questions What causes people collectively to envision evil and seek to exterminate it and Why does the representation of evil recur in such typical patterns Frankfurter guides the reader through such diverse subjects as witch hunting the origins of demonology cannibalism and the rumors of Jewish ritual murder demonstrating how societies have long expanded upon their fears of such atrocities to address a collective anxiety Thus he maintains panics over modern day infant sacrifice are really not so different from rumors about early Christians engaging in infant feasts during the second and third centuries in Rome In *Evil Incarnate* Frankfurter deepens historical awareness that stories of Satanic atrocities are both inventions of the mind and perennial phenomena not authentic criminal events True evil as he so artfully demonstrates is not something organized and corrupting but rather a social construction that inspires people to brutal acts in the name of moral order
