Constitutional Options For A Democratic South Africa A Comparative Perspective:

Constitutional Options for a Democratic South Africa Ziyad Motala, 1994 Constitutional Options for a Democratic South Africa describes the unjust South African political and judicial apartheid system that exploited black South Africans Ziyad Motala emphasizes the importance of a constitution and state system that would not only ameliorate the enormous inequalities generated by colonialism and apartheid but also ensure equal democratic rights and protection to all citizens in the post apartheid South Africa He carefully examines and compares the political outcomes of post independent African states adopting 1 the Western liberal federal state 2 the Soviet inspired Marxist unitary state or 3 the locally inspired one party African socialist state Motala weighs the relative merits of these state structures for dealing with the complex of democracy socioeconomic development and national unity in multiethnic states He contends that the constitutions and state practices employed thus far by African states have not facilitated political and socioeconomic development and recommends different constitutional and state options for South Africa *Constitutional Options for a Democratic South Africa* Ziyad Motala, 1994 He contends that the constitutions and state practices employed thus far by African states have not facilitated political and socioeconomic development and recommends different constitutional and state options for South Africa

Legal Visions of the 21st Century Antony Anghie, Garry Sturgess, 1998-10-29 Wouter de Vos **Human Rights and Dynamic Humanism** Winston P. Nagan, John A.C. Cartner, Robert J. Munro, 2016-11-07 This book emphasizes a forgotten aspect of human rights i e to establish that human rights captures its meaning from human activism and advocacy It explores factors which drive the advocacy of human rights integrating religious values reflected in human rights law The book explores human rights activism in the history of ideas and the contributions of Celtic culture It develops the framework for understanding the human rights struggle and the advocacy functions which drive it exploring the critical role of emotion in the form of sentiment either positive or negative that promotes or prevents human rights violations The negative sentiment chapter explores the major forms of human rights violations Positive sentiment explores the role of affect empathy and human solidarity in the promotion of the culture of human rights Further chapters explore affect gender and sexual orientation human rights and socio economic justice human rights and revolution transitional justice indigenous human rights nuclear weapons and intellectual property *Confronting the Challenges and Prospects in the Creation of a Union of African States in the 21st Century* E. Ike Udogu, 2010-02-19 Confronting the Challenges and Prospects in the Creation of a Union of African States in the 21st Century frames the discourse around the important issue of African unification against the backdrop of the region s political and economic marginalization Arguably the richest continent in the world in terms of its abundant untapped natural resources and human capital it still lags behind the other regions of the world developmentally Undeniably Africa is at the crossroads in this millennium within the context of the powerful events and effects of the New Globalization One of the central issues that academics and political actors interested in African development must tackle

immediately is how to make the region politically and economically relevant in global affairs These objectives could be attained through continental amalgamation Accordingly this book debates and suggests inter alia strategies that might advance Africa's unification effort in order to provide the politico economic clout needed to spur continental development Further it argues that such a Union of African States is critical for promoting the good political life for all Africans

International Law of Human Rights Michael K. Addo, 2017-07-05 International law is a social construct crafted by human endeavour to achieve or at least contribute to the achievement of goals perceived to be valuable or necessary to effective social relations In effect international law is no more than a facilitative process and so cannot have answers and conclusions of its own other than what lies within the ambitions of those who define the limits of the process The essays collected together here reveal how international law facilitates the achievement of the long standing ambition of turning human rights ideals and rhetoric into reality *Exodus From Empire* Terrence E. Paupp, 2006-11-20 This book lays out a comprehensive vision for a new world order based on cooperation between the developing world and leading Left countries in Latin America Arguing that the ravages of corporate capitalism are unsustainable Terrence E Paupp presents an energetic critique of the problems of empire and looks ahead to a global countermovement against the IMF and US hegemony

Modern Constitutional Law: The states and the federal government Chester James Antieau, 1997 **Temple international and comparative law journal**, 1997 **Interracial Justice** Eric K. Yamamoto, 1999-01-01 The United States in the twenty first century will be a nation of so called minorities Shifts in the composition of the American populace necessitate a radical change in the ways we as a nation think about race relations identity and racial justice Once dominated by black white relations discussions of race are increasingly informed by an awareness of strife among nonwhite racial groups While white influence remains important in nonwhite racial conflict the time has come for acknowledgment of ways communities of color sometimes clash and their struggles to heal the resulting wounds and forge strong alliances Melding race history legal theory theology social psychology and anecdotes Eric K Yamamoto offers a fresh look at race and responsibility He tells tales of explosive conflicts and halting conciliatory efforts between African Americans and Korean and Vietnamese immigrant shop owners in Los Angeles and New Orleans He also paints a fascinating picture of South Africa's controversial Truth and Reconciliation Commission as well as a pathbreaking Asian American apology to Native Hawaiians for complicity in their oppression An incisive and original work by a highly respected scholar *Interracial Justice* greatly advances our understanding of conflict and healing through justice in multiracial America *Encyclopedia of Human Rights* David P Forsythe, 2009-08-27 Winner of the 2010 Dartmouth Medal this major five volume encyclopedia offers comprehensive coverage of all aspects of human rights theory practice law and history The set will provide situation profiles and full coverage of the development of the movement historical cases of abuse the key figures major organizations and a range of other issues in economics government religion and journalism that touch on human rights theory and practice In addition to
