wonderful people who have managed to weld together the strict disciplines of architectural practice with the aesthetics and philosophies of the ancient Chinese traditions of Feng Shui Readers can be assured that what she writes is not founded just on theory alone but sound practical experience Derek Walters Author of The Feng Shui Handbook The Complete Guide to Chinese Astrology Feng Shui for Architecture is an excellent guide for both the Feng Shui professional and layperson You can benefit from the knowledge presented here and use it to make your environment as harmonious as possible Larry Sang Author of The Principles of Feng Shui President Founder of The American Feng Shui Institute Feng Shui for Architecture has been extremely inspirational to me and many of my students at the School of Architecture and Urbanism at the University of Sao Paulo Brazil We are very impressed with Dr Mainini s knowledge and experience She brings a new pattern to design and architecture Maria Cecilia Loschiavo dos Santos PhD Author of Move! Moderno no Brasil Professor Design Department University of Sao Paulo Brazil The title and subtitle promises a lot and this book delivers even more Dr Mainini has done a fabulous job organizing and explaining in a clear precise manner the principles of Feng Shui and the ancient Chinese art of placement for good energy flow as it applies to the spaces in which we live and work Not only is this book great for the preparation of buildings it is also extremely useful even if you are only searching for an energetically superior apartment house or office space to rent If you are looking for an invaluable source of Feng Shui information to help bring harmony to your living and working space and your life this is a book for you I applaud Dr Mainini for the publishing of this her first book and highly recommend it to those who want to learn more about this most fascinating modality of healing A Raphaella Tamura Founder Star of Peace Publishing Founder Seraphim at Mount Shasta [Interior Design with Feng Shui](#) Sarah Rossbach,2000-02-01 A centuries old Chinese practice feng shui has captured the Western imagination as a tool for design and well being In this classic book complete with helpful drawings and photographs Sarah Rossbach shows how anyone can apply its principles to enhance their careers family life health and prosperity Rossbach interprets the teachings of feng shui master Lin Yun for contemporary Westerners offering practical methods for achieving harmony with one s environment Focusing on common problems in business and residential settings she discusses everything from the site of a building to furniture arrangement to wall decoration In a chapter new to this edition she explains how to choose colors that satisfy individual needs and preferences Rossbach s easy to execute advice includes such simple steps as moving a microwave oven repositioning a desk and hanging mirrors to alleviate negative influences *Feng Shui Home Design and Colors* Amy Landry,2021-05-10 Feng Shui Tips for Your Home to Evoke Plenty of Good Vibes How do you feng shui your home What are the basic principles of feng shui The philosophy of FENG SHUI is a practice of arranging the pieces in living spaces in order to create balance with the natural world The goal is to harness energy forces and establish harmony between an individual and their environment FIVE ELEMENTS In feng shui we use the five element system which comes from Taoist philosophy This system looks at the cycles of nature and how they work together to be in balance The five elements are earth metal

water wood and fire Each element is associated with certain qualities as well as colors and shapes that can be used as design elements if you d like to enhance those qualities in your home and life

COMMANDING POSITION The commanding position is one of the fundamental basics in feng shui It s important that your bed desk and stove are all in command since each of these items represents a significant aspect of your life Your bed represents you your stove represents your wealth and resources and your desk represents your career and path in life

COLOURS AND FENG SHUI Experts use colors to direct chi and create beneficial energy changes in certain areas of the home This should have a positive impact on our wellbeing relationships and productivity When choosing colors it is necessary to rely on the harmonious use of the five elements and their circular cycle Each of the five basic elements has its own colors that with the element generate and spread energy or chi Wood blue green Fire red Earth yellow Metal white beige silver Water dark blue black
