Consumer Culture And Tv Programming:

Consumer Culture and TV Programming Robin Andersen, 2022-06-30 This book is an exploration of the interconnections between media economics and communication discourse Marketing factors account for the heightened emphasis on programming environment during the 1980s But what are the full implications of the practice of audience marketing and the creation of appropriate programming environments

Consumer Culture And Tv Programming Robin Andersen, 1995-11-30 To what extent does the advertising industry control what we see on TV What is the political and cultural environment that provides for the phenomenon of the corporate shaping of the mass media Robin Andersen addresses these questions which ultimately intertwine with the very concept of democracy How can citizens participate in political culture when the information they receive through their mass media is molded by corporate and commercial demands She discusses and analyzes the impact of the consumer imperative on popular news and TV programs and talk shows the psychology of consumer culture the differing narratives of the 1992 presidential election how representations of the Gulf War resembled advertisements and the overall escalating commercial imperative of the mass media Andersen has done a splendid job of accessibly presenting to mass audiences and students a subject of enormous gravity the steady penetration of marketing and advertising strategies into the very fabric of both news and entertainment television

Television and Consumer Culture Rob Turnock, 2007-07-30 The radical expansion of television broadcasting in the post war years and beyond both reflected and promoted a cultural revolution sweeping across British society Reaching out to a mass audience for the first time the new television industry made visible the transition from drab austerity and seeming cultural consensus to the brash heady glitz and individualism of the new consumer age Television and Consumer Culture explores television's institutional technological and programming developments during this period revealing how genres as different as action adventure series serious dramas situation comedies and quiz and game shows simultaneously promoted both consumer culture and class conflict Drawing on historical analysis and sociological theory and looking at issues such as celebrity scheduling intimacy and sociability Turnock argues that television during this era established and promoted itself as a culturally powerful force a fact that has implications for the way that media power is understood to operate today

Television and Consumer Culture Robert Turnock, The radical expansion of television broadcasting in the post war years and beyond both reflected and promoted a cultural revolution sweeping across British society Reaching out to a mass audience for the first time the new television industry made visible the transition from drab austerity and seeming cultural consensus to the brash heady glitz and individualism of the new consumer age Television and Consumer Culture explores television's institutional technological and programming developments during this period revealing how genres as different as action adventure series se

Children and Consumer Culture in American Society Lisa Jacobson, 2007-12-30 Children play a crucial role in today's economy According to some estimates children spend or influence the spending of up to 500

billion annually Journalists sociologists and media reformers often present mass marketing toward children as a recent fall from grace but the roots of children s consumerism and the anxieties over it date back more than a century Throughout the twentieth century a wide variety of groups including advertisers retailers parents social reformers child experts public schools and children themselves helped to socialize children as consumers and struggled to define the proper boundaries of the market The essays and documents in this volume illuminate the historical circumstances and cultural conflicts that helped to produce shape and legitimize children s consumerism Focusing primarily on the period from the Gilded Age through the twentieth century this book examines how and why children and adolescents acquired new economic roles as consumers and how these new roles both reflected and produced dynamic changes in family life and the culture of capitalism This volume also reveals how children and adolescents have used consumer goods to define personal identities and peer relationships sometimes in opposition to marketers expectations and parental intentions

Social Psychology and Theories of Consumer Culture Matthew McDonald, Stephen Wearing, 2013 Social Psychology and Theories of Consumer Culture A Political Economy Perspective presents a critical analysis of the leading positions in social psychology from the perspective of classical and contemporary theories of consumer culture The analysis seeks to expand social psychological theory by focusing on the interface between modern western culture consumer culture and social behaviour McDonald and Wearing argue that if social psychology is to play a meaningful role in solving some of society s most pressing problems e g global warming obesity addiction alienation and exclusion then it needs to incorporate a more comprehensive understanding and analysis of consumer culture Wide ranging and challenging the book offers a fresh insight into critical social psychology appropriate for upper undergraduate and postgraduate courses in personality social psychology critical and applied psychology It will also appeal to those working in clinical counselling abnormal and environmental psychology and anyone with an interest in the integration of social psychology and theories of consumer culture

Television and Consumer Culture Rob Turnock, 2007-07-30 The radical expansion of television broadcasting in the post war years and beyond both reflected and promoted a cultural revolution sweeping across British society Reaching out to a mass audience for the first time the new television industry made visible the transition from drab austerity and seeming cultural consensus to the brash heady glitz and individualism of the new consumer age Television and Consumer Culture explores television s institutional technological and programming developments during this period revealing how genres as different as action adventure series serious dramas situation comedies and quiz and game shows simultaneously promoted both consumer culture and class conflict Drawing on historical analysis and sociological theory and looking at issues such as celebrity scheduling intimacy and sociability Turnock argues that television during this era established and promoted itself as a culturally powerful force a fact that has implications for the way that media power is understood to operate today

Civic Participation in Contemporary Consumer Culture Heejo Keum, 2004 The Advertising and Consumer Culture Reader Joseph Turow, Matthew P.

McAllister, 2009 Commercial breaks radio spots product placements billboards pop up ads we sometimes take for granted how much advertising surrounds us in our daily lives We may find ads funny odd or even disturbing but we rarely stop to consider their deeper meaning or function within society What exactly does advertising do How and why do ads influence us How does the advertising industry influence our media These are just a few of the many important questions addressed in *The Advertising and Consumer Culture Reader* an incisive provocative collection that assembles twenty seven of the most important scholarly writings on advertising and consumer culture to date The classic and contemporary essays gathered here explore the past present and future of advertising from the early days of print to the World Wide Web and beyond These selections offer historical sociological critical cultural and political economic lenses to explore a wide range of topics from consumer activism to globalization to the role of ads in the political process Together these key readings chart the past present and future of advertising while also examining the effects of advertising and consumer culture upon individuals society cultures and the world at large Designed for use in courses the collection begins with a general introduction that orients students to thinking critically about advertising and consumer culture Section and chapter introductions offer valuable historical and critical context while review questions after each reading will spark classroom debates and challenge students understanding of key concepts

Ads, Fads, and Consumer Culture Arthur Asa Berger, 2004 Expanded and updated from the successful first edition *Ads Fads and Consumer Culture* Second Edition looks at marketing strategies sex and advertising consumer culture political advertising and communication theory and process to give an accessible overview of advertising in America New material includes classified advertising advertising agencies in the recent economy postmodern perspectives on advertising new consumer cultures metaphor and metonymy product placement and the 2002 California campaign for governor A new chapter raises questions about prescription drug advertising and advertising to children Visit our website for sample chapters

Advertising and Consumer Culture Matthew P. McAllister, Sharon R. Mazzarella, 2000 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company

Consumer Behavior and Culture Marieke K. de Mooij, 2004 *Consumer Behavior and Culture* reviews the myths of global marketing and explores the concept of culture and models of culture It provides empirical evidence of convergence and divergence in consumer behavior and covers various psychological and sociological aspects of human behavior used for explaining consumer behavior The book reviews and discusses cultural variations of these aspects across the world reviews the myths of global marketing and explores the concept of culture and models of culture It provides empirical evidence of convergence and divergence in consumer behavior and covers various psychological and sociological aspects of human behavior used for explaining consumer behavior The book reviews and discusses cultural variations of these aspects across the world

Key Features A cultural exploration of the various psychological and sociological aspects of human behavior such as concept of self personality group influence motivation emotion perception and information processing A discussion of consumer

behavior theories and cultural variations from around the world Coverage of a number of consumer behavior domains including explanations of differences in consumption and ownership all based on empirical evidence In addition to anecdotal evidence the consequences of branding and marketing communication strategy are presented and analyzed *The Feminism and Visual Culture Reader* Amelia Jones,2010 Feminism is one of the most important perspectives from which visual culture has been theorised and historicised over the past 30 years This book brings together a wide array of writings including classic texts and polemical new pieces

Consumerism on TV Alison Hulme,2016-03-09 Presenting case studies of well known shows including Will and Grace Birds of a Feather Sex and the City and Absolutely Fabulous as well as reality television this book examines the transformations that have occurred in consumer society since its appearance and the ways in which these have been constructed and represented in popular media imagery With analyses of the ways in which consumerism has played out in society Consumerism on TV highlights specific aspects of the changing nature of consumerism by way of considerations of gender sexuality and class as well as less definable changes such as those to do with the celebration of ostentatious greed or the righteousness of the ethical shopper With attention to the highly delineated consumer field in which shopping as an embedded practice of everyday life is caught between escapism and politics authors explore a variety of themes such as the extent to which consumerism has become embedded in forging identity the positing of consumerism as a form of activism the visibility of the gay male consumer and invisibility of the lesbian consumer and the re stratification of consumer types along class lines An engaging invitation to consider whether the positioning of consumerism through on screen depictions is indicative of a new type of non philosophical politics of choice a form of marketised a political pragmatism this book will appeal to scholars and students of sociology and cultural and media studies with interests in class consumption and gender
