Contract Bridge for Beginners Charles Goren,1971-04-15 Here is the first book on Contract Bridge for beginners which introduces them at once to the generally accepted Point Count method of bidding used by the experts Written by the leading authority the foremost teacher and the most successful bridge player in the world it will prove a boon to the novice and the average bridge player alike

Contract Bridge for New Bridge Players Frank Walsh,2016-11-11 Contract Bridge for New Bridge Players is a series of 50 lessons my wife Christine and I started teaching to beginning Social or Party Bridge Players over 10 years ago We wrote our own lessons for our classes A copy of each week s lesson was given to each student each week and was available to any student that missed a class so that they could keep up with the lessons The lessons are based in part on my experience playing and teaching bridge for over 60 years Because this book is written for beginning Social Bridge players as opposed to more experienced players the following considerations have been made in Contract Bridge for New Bridge Players

- 1 In Social or Party bridge partners often change every 4 to 6 hands Therefore the bidding system used is very simple and will be understood by most Social Bridge players
- 2 Bidding shown in the book tends to be conservative so that beginning players will be successful make their bid when they play a hand and therefore gain confidence
- 3 Only one Convention Blackwood is used
- 4 When I teach a class I am there to answer questions With this book I have tried to anticipate and answer a variety of questions that may occur
- 5 To personalize the book and make it more interesting I have included a number of bridge stories from my family Some go back to when my parents were playing duplicate bridge in the 1930 s soon after Contract Bridge was invented At that time they had to create their own bidding system This led to some challenging situations I hope you find that Contract Bridge for New Bridge Players helps you to enjoy the game of bridge and that you become an avid bridge player
