**Michael Hechter**

## **Containing Nationalism:**

**Containing Nationalism** Michael Hechter, 2000 Nationalism has become the most prevalent source of political conflict and violence in the world Scholarship has provided scant guidance about the prospects of containing the dark side of nationalism its widely publicized excesses of violence such as ethnic cleansing and genocide Departing from the usual practice of considering only a few examples of nationalism drawn from a limited geographical and historical canvas this book is based on fundamental theoretical ideas about the formation and solidarity of groups Containing Nationalism offers a unified explanation of the dynamics of nationalism across the broad sweep of time and space Among other things it explains why nationalism is supported by specific forms of inequality between cultural groups and why it is inclusive at some times and exclusive at others Nationalism is the attempt of culturally distinct peoples to attain political self determination Self determination was generally afforded by traditional states which employed a form of governance based on indirect rule After the late 18th century the rise of the modern state led to a new form of governance characterized by direct rule Containing Nationalism argues that the impetus for the most common type of nationalism arises from the imposition of direct rule in culturally heterogeneous societies Direct rule stimulates national identity by making cultural distinctions more salient for individuals life chances At the same time it reduces the resources of local elites giving them a motive to mobilize nationalist opposition to central authorities All told these effects heighten the demand for sovereignty The book suggests that political institutions that reintroduce indirect rule offer the leaders of modern countries the best available means of containing nationalist violence within their borders

**Containing Nationalism** Michael Hechter, 2001-08-30 Nationalism has become the most prevalent source of political conflict and violence in the world Scholarship has provided scant guidance about the prospects of containing the dark side of nationalism its widely publicized excesses of violence such as ethnic cleansing and genocide Departing from the usual practice of considering only a few examples of nationalism drawn from a limited geographical and historical canvas this book is based on fundamental theoretical ideas about the formation and solidarity of groups Containing Nationalism offers a unified explanation of the dynamics of nationalism across the broad sweep of time and space Among other things it explains why nationalism is largely confined to modern history why it is supported by specific forms of inequality between cultural groups and why it is inclusive at some times and exclusive at others Nationalism is the attempt of culturally distinct peoples to attain political self determination Self determination was generally afforded by traditional states which employed a form of governance based on indirect rule After the late 18th century the rise of the modern state led to a new form of governance characterized by direct rule Containing Nationalism argues that the impetus for the most common type of nationalism arises from the imposition of direct rule in culturally heterogeneous societies Direct rule stimulates national identity by making cultural distinctions more salient for individuals life chances At the same time it reduces the resources of local elites giving them a motive to mobilize nationalist opposition to central authorities All told

these effects heighten the demand for sovereignty The book suggests that political institutions that reintroduce indirect rule offer the leaders of modern countries the best available means of containing nationalist violence within their borders

**Containing nationalism** Michael Hechter,2000      Critique of Political Decolonization Bernard Forjwuor,2023-05-24

What is political independence As a political act what was it sanctioned to accomplish Is formal colonialism over or a condition in the present albeit mutated and evolved In Critique of Political Decolonization Bernard Forjwuor challenges what in normative scholarship has become a persistent conflation of two different concepts political decolonization and political independence This scholarly volume is an antinormative and critical refutation of the decolonial accomplishment of political independence or self determination in Ghana He argues that political independence is insufficiently a decolonial claim because it is framed within the context of a country where a permanent colonial settlement was never deemed necessary for the consolidation of future colonial political obligations So while territorial dissolution was politically engineered by Ghanaians the colonial merely reconstitutes itself in different legal and ideological forms Forjwuor offers new methodological theoretical and conceptual approaches to engaging the questions of colonialism political independence political decolonization justice and freedom and constructs multiple conceptual bridges between traditional disciplinary fields of inquiry including politics history law African studies economic history critical theory and philosophy and political theory Using the Ghanaian experience as a rich case study Forjwuor rethinks what colonialism and decolonization mean and asserts that decolonization is primarily a question of justice      **Citizenship and Identity** John Schwarzmantel,2003-08-29

Citizenship and Identity offers an analysis of contemporary politics and of the scepticism and apathy which characterise the political life of modern democracies Starting from exploration of liberal democracy and a critique of the fragmentation of contemporary politics this book develops a republican perspective as an alternative framework for political institutions and civic participation      Nations and Democracy Amanda Machin,2014-11-13 A figure of enduring ingenuity the nation has for centuries played a part on the socio political stage Whether centre stage or background scenery it has featured in violent tragedies revolutionary drama and nostalgic fable Today the nation is cast simultaneously in the roles of villain and hero While it is renounced by those advocating trans national post national and cosmopolitan forms of belonging it has lately also been asserted as the solution to various social failures in liberal democracies This appears to leave us with two alternatives to jettison the nation in order to move towards a less parochial world a world in which new forms of belonging underpin more inclusive politics Or to celebrate the nation as way of ensuring the social cement that can unite a diverse society Using the ideas of Wittgenstein and Lacan Amanda Machin expertly explains that the overlapping and conflicting language games of the nation produce it as an object of desire in an uncertain world The nation is not a pre political thing but a matter of persistent political contestation and coalition She reveals that the nation still has a vital part to play in democratic politics but that this role is one of improvisation While they endure as tools of emancipatory promise nations nonetheless remain

potential categories of violent exclusion They cannot be pinned down as easily as anti national and pro national alternatives suggest It is precisely the indeterminacy of the nation that gives it ongoing importance for democracy today Providing an urgent riposte to dominant accounts this thought provoking and highly original account demands a re politicisation of the nation This book will appeal to those engaged in theory and empirical research on nations and nationalism and the question of their link to democracy in a changing world as well as those interested in psychoanalysis and Wittgenstein **Historical And Political Economy Of Education In India** Dr. M. Kumar ,Dr. N. Rekha, This book is written to meet the requirements of the new B Ed and M Ed syllabus based on the common core for Tamilnadu and other state university This book focus on education in ancient Indian middle India east Indian company education under British rule national integration international understanding political police of Indian economic in education Indian constitutional provisions on education political policy of education in India This book useful for post graduate and graduate students and teachers educators *Contested Liberations, Transitions and the Crisis in Zimbabwe* Oliver Nyambi,2024-04-02 How and when does culture enter the discourse on liberation transition and crisis in an African post colony such as Zimbabwe In a deeply polarised nation reeling from a difficult transition and an unrelenting economic crisis it is increasingly becoming difficult for the ZANU PF regime to prescribe and enforce its monolithic concept of liberation This book culls from contemporary counter cultures of liberation and transition the state of liberations in Zimbabwe It explores how culture has functioned as a complex site where rigid state authored liberations are legitimated and naturalised but also where they are negotiated contested and subverted

**Dampening the Powder Keg** Mihaela Mihailescu,2007 Democratization in Eastern Europe prompted warnings about the risks of the process for the many multi ethnic countries of the region Yet the Yugoslav tragedy remains the exception rather than the rule in understanding interethnic relations This work analyzes post communist Romania and Slovakia two multi ethnic countries that have steered clear of interethnic violence despite the absence of institutions specially designed to manage interethnic relations despite the exclusion of ethnic minorities from government and despite quasi majoritarian political environments In the two studied cases interethnic opposition coalitions resulted from the adoption of basic democratic political institutions which constrained actors across the ethnic divide to cooperate More broadly this work questions the notion that multiethnic countries are unlikely candidates for peaceful democratization and suggests that as long as participation in democratic processes either in government or in opposition is possible for ethnic minorities violent conflict can be averted The argument is of interest to both scholars of conflict and peace studies and to policy makers involved in conflict prevention *Problems of Post-communism* ,1999 *Nationalism and Internationalism* Ramsay Muir,1918 *Choice* ,2005 **International Politics on the World Stage** John T. Rourke,2005 This concise text provides students and instructors with a comprehensive overview of world politics inviting them in a straightforward and accessible way to explore international relations and its new challenges A hallmark of the text is the authors position that politics affect

the lives of all of us and that the individual can have an impact whether small or large by being politically aware and by taking action

**Understanding Third World Politics** Brian Clive Smith, 2009 An extensively revised edition of an acclaimed textbook on developing societies

Separatism and Integration Bertrand M. Roehner, Leonard J. Rahilly, 2002-09-10 Our understanding of separatist movements is challenged daily by news reports from places as varied as India Indonesia Kosovo and Quebec This book gives readers a new insight into these movements by providing a thorough analysis of separatism from a historical and comparative perspective It also studies the conditions which ensure the success of integration and of melting pot processes in particular at the language level

Social Commitments in a Depersonalized World Edward J. Lawler, Shane R. Thye, Jeongkoo Yoon, 2009-06-02 In Social commitments in a depersonalized world Edward Lawler Shane Thye and Jeongkoo Yoon examine interpersonal and group ties and propose a new theory of social commitments showing that multiple interactions group activities and particularly emotional attachment are essential for creating and sustaining alignments between individuals and groups

R sum de l diteur

The Search for Greater Albania Paulin Kola, 2003 In this text Paulin Kola offers an argument challenging the idea that Albanian speaking peoples in the Balkans wish to form a common state

**A Treaty Too Far** Michael Spicer, 1992 The author is a prominent Conservative MP and ex Minister

**Transformation of Education Policy** Kerstin Martens, 2010-04-09 This book deals with the political consequences of the PISA Study for secondary education and the Bologna Process for tertiary education Both are prominent political issues with substantial impact on the political debate all over Europe and beyond However scholars of political science and political sociology have been reluctant to give them sufficient attention

**Directory of History Departments, Historical Organizations, and Historians**, 2004

### Containing Nationalism Introduction

In the digital age, access to information has become easier than ever before. The ability to download Containing Nationalism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Containing Nationalism has opened up a world of possibilities. Downloading Containing Nationalism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Containing Nationalism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Containing Nationalism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Containing Nationalism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Containing Nationalism, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Containing Nationalism has transformed the way we access

information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About Containing Nationalism Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Containing Nationalism is one of the best book in our library for free trial. We provide copy of Containing Nationalism in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Containing Nationalism. Where to download Containing Nationalism online for free? Are you looking for Containing Nationalism PDF? This is definitely going to save you time and cash in something you should think about.
