Contemplating The Cross:

Contemplating the Cross Tricia McCary Rhodes, 2005-01-07 Few times of year lend themselves to pilgrimage and contemplation like Easter For forty days Christians have before them the opportunity to examine their own path and compare it with the incredible journey undertaken by Christ from the agony of the garden to the glory of the resurrection By sharing her journey Tricia Rhodes provides the tools to cultivate the cross within and the inspiration to accept the Father's summons to kneel in its shadow Scripture and daily exercises gently nourish the spiritual traveler while journal pages wait to hold the story of personal reflection More encompassing than a devotional more intimate than a mere yardstick of faith Contemplating the Cross will become a treasured keepsake May God touch your deepest soul and brand you with the fire of His devotion as you contemplate the cross of Christ Tricia Rhodes Contemplating the Cross Tricia McCary Rhodes, 1998

Contemplating the Way of the Cross Mary Leonora Wilson, 2020-02-19 The Stations of the Cross are a time honored way of remembering and praying with the passion and death of Our Lord Contemplating the Way of the Cross A Personal Encounter with Our Crucified Lord continues this tradition in the method pioneered by St Ignatius of Loyola of placing yourself in the scene of each station By engaging our imagination we make these prayers our own and sanctify our imaginations bringing us closer to Christ and his Sorrowful Mother **The Practice of Contemplation According to**

John of the Cross James W. Kinn, 2018-07-23 This book is for anyone who now meditates regularly or who practiced meditation in the past As we grow in our prayer life John of the Cross is an excellent and encouraging guide to show us the way to the practice of contemplative prayer Many of us learned about meditation from spiritual directors or books We practiced a reliable form of meditation for some years with varying degrees of success Over time however our prayer slowed down and became simplified We didn't find many new ideas to occupy our intellect and our emotions quieted down In time many of us experienced a crisis in our prayer life our prayer became so simple that it almost disappeared We tried different forms of prayer but we seemed to be reaching a dead end Throughout all of this we were never told that our prayer was developing naturally and positively What we were experiencing was not a dead end but the threshold of a new way of prayer What we needed was an experienced guide to show us the road ahead Enter John of the Cross He encourages us to see that the place we came to is a necessary state of our progress in prayer John teaches us that we come to contemplation not by struggling harder to pray but by calming remaining quiet before God He encourages us to realize that we have not come to the end of the road but are being made ready to be transported on a wonderful journey There is no better or more encouraging guide for us on this journey than John of the Cross The entire focus of this book is quite narrow it concentrates on John's teaching about the beginning of contemplation **The finding of the Cross, ed. by J. Wakeford. Paper 1**

Contemplation and the Cross Thomas Joseph White,2025 This book serves as an introduction to Catholic spirituality by examining the mystery of Jesus Christ His Crucifixion and His Resurrection as the center of our spiritual life The central argument of the book is that the life death and resurrection of Jesus present us with the form or essence of the Christian spiritual life and orient us toward union with the Trinity as the final end or aim of human existence The means of union with God through sacraments the interior life of the theological virtues faith hope and charity and the virtue of religion are considered as vehicles by which we rejoin God in Christ
