Contemplative Bible Reading Experiencing God Through Scriptures:

Contemplative Bible Reading Richard Peace, 2015-06-22 A new way to read the Bible Spiritual disciplines are simply ways to open ourselves to God They help us become aware of the many ways God speaks to us and provide us with ways to respond to God This book explores and explains how the historical disciplines and perspectives of the Christian faith can deepen both our walk with God and our community with others Reading the Bible is something that most of us are familiar with Some even do it regularly But do we really think about how we read and respond to Scripture How deeply do we allow ourselves to be impacted by it Contemplative Bible reading or lectio divina as it is often called is an ancient method of approaching Scripture Consisting of four parts this method begins with the selected biblical passage and moves to meditating praying and contemplating what God is revealing through the Bible Many of us tend to think of meditation as something done individually but reflecting on Scripture in a small group invites us to act and encourages us to share with others how God is calling us to respond Contemplative Bible Reading examines this spiritual discipline and invites your small group to approach Scripture in a new and challenging way By exploring different passages and learning to hear God's voice in them this guide will help you meditate and act on the truth of the Bible

Made Healthy in Ministry for Ministry C. John Weborg, 2011-08-11 Clarity of vocational practice is key to clergy health The center of clergy practice is the ministry of Word and Sacrament What takes place at the pulpit font or pool and table is the divine intent and extent of ministry While this may sound in house and parochial in the extreme it is both priestly and prophetic John Weborg's argument in this book is that the clergy can be made healthy in ministry for ministry by maintaining vocational clarity The priestly and prophetic acts of Word and Sacrament address the clergy before they address the congregation Hence what is offered here is a spirituality through practices the clergy are hearers before preachers baptized before baptizers communicants before celebrants Neither a how to book nor a work of pastoral theology *Made Healthy in Ministry for Ministry* is aimed toward helping clergy appropriate the gifts and graces of the practices they are called and authorized to carry out
