Consider Me Gone:

Simply Put Stephen Britt, 2006 *Lyrics Sting*, 2009-07-16 From the first Police album *Outlandos D'Amour* through *Sacred Love* here are the collected lyrics written by Sting along with his commentary Publishing my lyrics separately from their musical accompaniment is something that I've studiously avoided until now The two lyrics and music have always been mutually dependent in much the same way as a mannequin and a set of clothes are dependent on each other separate them and what remains is a naked dummy and a pile of cloth Nevertheless the exercise has been an interesting one seeing perhaps for the first time how successfully the lyrics survive on their own and inviting the question as to whether song lyrics are in fact poetry or something else entirely And while I've never seriously described myself as a poet the book in your hands devoid as it is of any musical notation looks suspiciously like a book of poems So it seems I am entering with some trepidation the unadorned realm of the poet I have set out my compositions in the sequence they were written and provided a little background when I thought it might be illuminating My wares have neither been sorted nor dressed in clothes that do not belong to them indeed they have been shorn of the very garments that gave them their shape in the first place No doubt some of them will perish in the cold cruelty of this new environment and yet others may prove more resilient and become perhaps more beautiful in their naked state I can't predict the outcome but I have taken this risk knowingly and while no one in their right mind should ever attempt to set *The Waste Land* to music in the hopeful words of T S Eliot These fragments I have shored against my ruins Sting from the Introduction **Sting (Songbook)** Sting, 2009-03-01 Guitar Chord Songbook 50 favorites from Sting and the Police presented in chords lyrics for strumming fun Brand New Day Can't Stand Losing You Don't Stand So Close to Me Driven to Tears Every Breath You Take Fields of Gold Fortress Around Your Heart King of Pain Message in a Bottle Roxanne We'll Be Together more *Sound of the Crowd: a Discography of the '80s (Fourth Edition)* Steve Binnie, 2018-11-05 SOUND OF THE CROWD A DISCOGRAPHY OF THE 80s is the ultimate record collector's guide to the 1980s In the era of multi-formatting picture discs coloured vinyl multiple remixes funny shaped records and tiny CDs you could lose down the back of the sofa this book lists every format of every single EP and album released in the UK in the 1980s by over 140 of the decade's biggest acts from ABBA to Paul Young This fourth edition has been fully revised and expanded to include even more acts than ever before with additional sections to cover Band Aid style charity congregations and compilation albums from the early 80s K Tel efforts through to the Now That's What I Call Music series and its competitors Compiled by Steve Binnie editor of the 80s music website Sound of the Crowd and writer producer and co host of the unconventional 80s chart show Off The Chart broadcast weekly on Mad Wasp Radio *Cancer with Joy Joy* Huber, 2011-10-01 FIC examples of how she handled cancer with joy to help others from diagnosis through treatment and a powerful new brand Cancer with Joy quickly exploded This inspiring informative book transforms how the newly diagnosed those who love them handle cancer It is a priceless collection of stories from Joy and others 100 useful resources to save time

The Strand Magazine George Newnes, Herbert Greenhough Smith, 1892 The Words and Music of Sting Christopher R. Gable, Christopher Gable, 2008-12-30 Sting has successfully established himself as one of the most important singer songwriters in Western popular music over the past twenty years His affinity for collaborative work and disparate musical styles has pushed his music into an astonishing array of contexts but no matter what the style or who the collaborator Sting's voice always remains distinct and this fact has earned him success amongst a correspondingly broad audience The Words and Music of Sting subdivides Sting's life and works into rough periods of creative activity and offers a fantastic opportunity to view Sting's many stylistic changes within a coherent general framework After analyzing Sting's musical output album by album and song by song author Christopher Gable sums up Sting's accomplishments and places him on the continuum of influential singer songwriters showing how he differs and relates to other artists of the same period Aside from his commercial success Sting is also interesting for the use of recurring themes in his lyrics such as family relationships love war spirituality and work and for his use of jazz and world music to illustrate or work against the meaning of a song Sting's life also sheds light on his music as his working class roots in Newcastle England are never far removed from his international superstardom Throughout his life he has been musically open minded and inquisitive always seeking out new styles and often incorporating them into his compositions **If It Doesn'T Fit** Gerald F.
