Conspiracy To Injustice:

Conspiracy to Injustice Jimmie L. Clay,2003-01 **The Human Conspiracy** Valentin Matcas,2016-04-20 When you live your life in fear and scarcity from one day to another and when your awareness spans two channels on your TV you may perceive and understand society from one political party to the next and from one conspiracy to another While your own servitude ignorance compliance and subjection span the world since it is the case with everyone else forming in this manner the extraordinary conspiracy shaping and reshaping everything continuously the Human Conspiracy Because those who killed presidents and royalty throughout history those who control stock markets wars oil fields and alphabet agencies and those who weaken and decimate humanity whenever they find it necessary are the same acting on the same comprehensive conspiracy alongside you while forming the Human Conspiracy Because it never matters who rules the world and through what schemes since they cannot do so without your help and compliance While you agree and conspire making everything happen you even take control sometimes along with everybody else and when conspirators cannot abuse you anymore you take them down to bring in their place others who can This is the Human Conspiracy and it always relates to you since it is meant for action compliance and perfect integration It is the lack of reaction to everything dreadful that those in control do to you and to the world as it is based on your continuous acceptance along with your continuous ridicule and rejection of those who do not abide Because it is your passivity making all social schemes and conspiracies possible and so you keep them coming indefinitely It is not their proclaimed effort ingenuity strength and influence to matter but it is your conspiracy to accept everything coming your way as you endure and take it diligently expecting more And now you see the world that you create you still cherish and smile while you suffer you still condemn those who complain as you know that is wrong but you want to be safe and so you endure and cherish in ignorance Because you conspire just to keep yourself covered you gather the crumbs and you never complain and this is the greatest conspiracy of all times the Human Conspiracy Throughout this book we identify model and understand how the Human Conspiracy takes place on all social levels building this background comprehensive conspiracy capable to follow authorities alongside everything that they implement control and exploit in the world while we focus on all premises and consequences in all details and from all perspectives **How Democracy Win** Satria Novian,2025-02-09 A democracy book to make civil society understand about democracy meritocracy plutocracy oligarchy and autocracy and to make democracy dominate the world order and government structure **Conspiracy to Injustice** Fache Jimmie L. Clay,2003-02-01 WORDS ARE TRIGGERS AND CATALYST OF EMOTION The poetry contained in this book are without music written from the heart and delivered by spirit They actually started out just being profound quotes and eventually became pieces of a puzzle that fit together in a compelling rhythm They are ageless messages filled with the love truth and light Truly they are a gift to help us all remember that life and nature go on eternally This work is inspiring and heart wrenching Somewhere between religion and science truth and fact without politics there is an answer It

is known as nature It is a reminder that the sweet sound of the meadow lark and the haunting sound of the whales are all one in the same If you listen each day you will hear the answers to your questions Reach out and look out into the vast universe and contemplate the big picture You will find here in these words a piece of mind and how to trust that which is divine
