

The background is a deep blue space filled with stars and faint, glowing lines that form a constellation. A horizontal band of teal color stretches across the middle. Overlaid on this band is a large, faint outline of a constellation, possibly the Orion constellation, which is centered and spans most of the width of the image. The title text is centered within this teal band.

Ruth never believed she'd lose her twin sister Riley to a freak accident. In a battle to heal from her shattered life, she holds on to what feels good in the moment and what feels good is Trip. For once, Ruth doesn't make a calculated decision. She lets her heart lead, only to discover down the road that her heart may have been lying to her all along. Ruth is suddenly left with a choice to stay with Trip or go on. The choice gets complicated when Ruth receives two surprises: Riley's old journal in the mail and a chance encounter with Todd, the man Riley had been dating for six years prior to her death. Both surprises hold a secret that makes Ruth question everything she knew about her twin sister. Todd returns home after six years in the military only to discover that the woman he created his entire future around has died. She isn't the first person to leave him. After years of abandonment, Todd has found that family isn't always biological and love can come from the most unexpected places. As time goes on, Todd realizes that he has made a grave mistake in his past that has changed the course of his life forever.
