Constitution Made Easier:

Our Constitution Made Easy Richard Britner,2020-10-27 Have you ever wondered if our elected officials were being forthright in their dealings with the authority we delegated to them Have you ever thought that they might be overreaching their boundaries at times This book is designed to answer those types of questions and a whole lot more In this book I dive into the U S Constitution and give an in depth look at what our Founding Father have put in place for us and I expose the corruption that has become the statuesque for our government I also give four viable solutions to bring this nation back to being a truly free nation **Naturalization Made Easy** Robert Kingsley O'Neil,Gustavus Kendall Estes,1917 **The**

Federalist Papers Made Easier Paul B. Skousen,2023-03-07 The Federalist is a collection of articles written in 1787 1788 by Alexander Hamilton James Madison and John Jay to defend and explain the U S Constitution It is considered the most authoritative clarification of the Constitution ever put to print save the Constitution itself The Federalist Papers Made Easier is the first edition to separate all eighty five papers into short individual segments for closer analysis and clarity To make the lengthy essays easier for modern Americans to understand every improvement has been made short of rewriting the text itself Lengthy paragraphs are subdivided with descriptive headlines and summaries Key phrases are underlined Larger text in two columns All paragraphs are conveniently numbered Archaic words are defined Obscure references are footnoted Review questions at the end of each paper highlight important points An extensive index directs readers to specific paragraphs rather than page numbers An appendix includes answers to quiz questions the Anti Federalists thirty five main objections to the Constitution and the texts of the Declaration of Independence the Articles of Confederation and the U S Constitution The Federalist is essential reading for anyone seeking to understand and perpetuate the timeless principles of constitutional liberty into the next generation Longan's Parliamentary Rules Made Easy Emma Lard Longan,1912
