Constructing White Collar Crime:

Constructing White-Collar Crime Joachim J. Savelsberg, 2016-11-11 Criminal law norms are socially derived being constructed in political processes but only recently has criminological research began to focus on the political construction of criminal law There has been increasing interest in the quality of these political processes the decisions that result and the rationales and social forces guiding these decisions In *Constructing White Collar Crime* Joachim J Savelsberg a sociologist and Peter Br hl a lawyer have provided an interdisciplinary case study of the construction of new German laws against white collar crime relating their results to internationally comparative findings The analysis is empirical it is theoretically grounded in a sociological approach that contrasts Marxist versus pluralist or differentiation theory and functionalist versus conflict group or action theory The authors also analyze their findings in relation to Max Weber s theory of rationalization of law In addition the research is methodologically innovative introducing the technique of cognitive mapping into the study of criminal justice legislation The book represents the authors attempts to bridge the gap between microsociological and macrosociological approaches to the construction of criminal law The authors analyze action rationales communication patterns and power structures as they play out in different stages of the law making process claims making in news media participation of scholars and practitioners in an expert commission and in parliamentary hearings involvement of industrial lobbying groups during the drafting of the bill in the Department of Justice and parliamentary deliberations The analysis demonstrates the considerable weight of economic and political rationales as opposed to justice criteria in the development of criminal legislation It also indicates that white collar crime legislation may have counterproductive consequences The laws are intended to increase the quality of criminal justice by criminalizing the behavior of the powerful but the less powerful groups within the white collar classes are more likely to feel the effects *Constructing White Collar Crime* will be of interest to students and scholars in the areas of sociology law and criminology *White Collar Crime* Jerold H. Israel, Ellen S. Podgor, Paul D. Borman, 1996 *Understanding White Collar Crime* Hazel Croall, 2001 What is the extent and impact of white collar crime How can white collar crime be explained How is white collar crime controlled This comprehensive overview of white collar crime begins by introducing the concept looking at its definition its identification with class and status and its development within criminology The problems of estimating the vast extent of white collar and corporate crime are explored and some of its major forms are outlined including fraud corruption employment consumer and environmental crime Hazel Croall looks at the kinds of offenders who are convicted for white collar offences and at patterns of victimization which involve class gender and age She examines the various ways in which white collar crime has been explained and analysed including individual organizational and social structural perspectives The issues surrounding regulation and punishment are explored focusing on the contrast between white collar and other crimes and on alternative approaches to its control This new book is a revised updated and readily accessible replacement for the author s highly successful *White Collar*

Crime Open UP 1992 It includes expanded coverage of corporate crime and provides an essential text for undergraduate courses in criminology sociology and law White-collar Crime Research Sven-Åke Lindgren,2001 Constructing Crime Victor E. Kappeler,Gary W. Potter,2006 *Corporate Crime* Hazel Croall,2009-05-07 Corporate Crime involves issues of ever increasing significance such as the environment occupational health and safety consumerism and globalization In these areas and many others inadequately regulated corporate activity can cause considerable harm to numerous victims many indeed would argue that the total costs of corporate crime exceed those of so called conventional crime Yet it is not widely regarded as part of the crime problem and not subject to the same forms of policing and punishment While many corporate activities are subject to **Index to Legal Periodicals** ,1993 *White-collar Crime Reconsidered* Kip Schlegel,David Weisburd,1992 Leading authorities on whit collar crime explore the inner workings of the individuals corporations and government agencies implicated in the abuse of their economic and societal privileges The timely essays deal with the definition and theory of white collar crime victimization enforcement and the sanctioning of organizations and individuals Back cover **The McGraw-Hill Construction Business Handbook** Robert Frank Cushman,John P. Bigda,1985 *Construction Bidding Law* William J. Doyle,1990 Supplemented annually to keep you up to date **Professions and Disciplines** Daniel W. Rossides,1998 This unique book provides a comprehensive evaluation that asks if our professions perform social functions and solve widespread social problems or merely the problems of upper level individuals and groups The book presents the effect of corporate world market capitalism on professions reflected in the corporate squeeze on doctors for example It demonstrates the fallacies of professional claims of objectivity unique knowledge bases value neutrality altruism and nonpartisanship It demonstrates that professions are integral components of the American class system and highlights the stratification within professions and their reliance on subordinate and exploited labor It shows the widespread and persistent racial ethnic and gender stratification in all professions along with recent studies showing that similarly qualified minorities are not rewarded equally The book also includes full chapters on the policy professions professional deviance and the depiction of professions in the mass media An essential reference book for any reader who wishes a greater understanding of the problems of class in the United States *A National Moratorium on Prison Construction* ,1975 **Crime and Political Economy** Ian Taylor,1998 The International library of Criminology Criminal Justice and Penology is an important publishing initiative that brings together the most significant contemporary published journal essays in current criminology criminal justice and penology The series makes available to researchers academics and students of criminology an extensive range of essays which are indispensable for obtaining an overview of the latest theories and findings in this fast developing field Peace Research Abstracts Journal ,2001 **Trusted Criminals** David O. Friedrichs,1996 In *Trusted Criminals* David O Friedrichs author of numerous articles in leading criminal justice criminology and sociology journals offers a comprehensive study of the world of white collar crime Beginning with a thorough explanation

of the historical development of the concept of white collar crime Friedrichs then draws readers deeply into this arena of crime by exploring many aspects of the subject including alternative theories for explaining white collar crime the role of media and other agents in effecting an image of white collar crime those parties from whistleblowers to investigative reporters who expose such crime the challenges involved in studying white collar crime various forms of white collar crime including corporate and occupational crime governmental crime state corporate crime finance crime technocrime and more investigating policing prosecuting defending and adjudicating white collar crime and social policy options for responding to white collar crime *The Cumulative Book Index* ,1995 A world list of books in the English language *Construction Index* ,1997 *Decision Making* Mary Zey,1992-06-22 Prevailing highly conservative rational choice theories are challenged in this illuminating volume Mary Zey and other outstanding contributors expand our understanding of decision making theory by presenting evidence that points to the wide range and complexity of human decision making Labelled as deviations from formal rationality other models of decision making habit emotion moral and ethical values are shown to be alternative not deviant motives behind decision making Written at an accessible level this volume examines criticisms of the rational choice models from a wide range of perspectives The following chapters then concentrate on micro and macro alternatives to rational choice models including a bala **Crossing Boundaries** Austin Sarat,1998-09-02 Perhaps no idea is more emblematic of the field of law and society than crossing boundaries From the founding of the Law and Society Association in the early 1960s participating scholars aspired to create a field that crossed boundaries in at least two senses by undertaking research that questioned and often bridged traditional methodological and disciplinary divisions and by using nontraditional approaches to explore the interconnections between law and its social context These essays reflect both aspirations

Constructing White Collar Crime Introduction

In the digital age, access to information has become easier than ever before. The ability to download Constructing White Collar Crime has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Constructing White Collar Crime has opened up a world of possibilities. Downloading Constructing White Collar Crime provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Constructing White Collar Crime has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Constructing White Collar Crime. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Constructing White Collar Crime. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Constructing White Collar Crime, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Constructing White Collar Crime has transformed the way we access information. With the convenience, cost-

effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Constructing White Collar Crime Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Constructing White Collar Crime is one of the best book in our library for free trial. We provide copy of Constructing White Collar Crime in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Constructing White Collar Crime. Where to download Constructing White Collar Crime online for free? Are you looking for Constructing White Collar Crime PDF? This is definitely going to save you time and cash in something you should think about.
