Consumer Research Introspective Essays On The Study Of Consumption:

Consumer Research Morris B. Holbrook, 1995-06-09 This collection of essays provides a personal thought provoking and often humorous documentation of the evolution of the field of consumer research The book highlights aspects of hotly debated issues that surround this field of inquiry and presents a picture of how consumer research has grown and developed over the past 25 years

Consumer Behavior Morris B. Holbrook, 2024-12-02 Consumer Behavior presents an autobiographical view of Morris B Holbrook s contributions to the study of consumer behavior describing his life and work over the past 60 years via a collection of subjective personal introspective essays This new collection extends enlarges and elaborates on the insights garnered over Holbrook s career to provide a lively and thought provoking exploration of the evolution of consumer research Using Subjective Personal Introspection SPI Holbrook shares aspects of his own journey in developing insights into such topics as the consumption experience consumer value the jazz metaphor marketing education and various controversies that have interested the scholarly community Early chapters portray Holbrook s evolution in college graduate school and faculty membership while later chapters trace his approaches to understanding the role of consumption as the essence of the human condition Throughout SPI is used to illuminate the ways in which academic struggles have led toward deeper understandings of consumers Readers with an interest in the autobiographical details of how ideas develop and emerge in an area such as consumer research including doctoral students or faculty members in the field of marketing will find enlightenment and inspiration in contemplating the mis adventures of a fellow traveler

Market-Driven Thinking Arch G. Woodside, 2012-06-25 Market Driven Thinking provides a useful mental model and tools for learning about how executives and customers think within marketplace contexts When the need to learn about how executives and customer think is recognized a solution is usually implemented automatically with no thought given to the relative worth of alternative methods to learn fill the need Thus the dominant logics most often implemented methods to learn about thinking are written surveys and focus group interviews two research methods that that almost always fail to provide valid and useful answers on how and why executives and customers think the way they do Through descriptive research MDT examines the actual thinking and actions by executives and customers related to making marketplace decisions The book aims to achieve three objectives Increase the reader s knowledge of the unconscious and conscious thinking processes of participants marketplace contexts Provide research tools useful for revealing the unconscious and conscious thinking processes of executives and customers Provide in depth examples of these research tools in both business to business and business to consumer contexts This book asks how we actually go about thinking examining this process and its influences within the context of B2B and B2C marketplaces in developed nations

Romancing the Market Stephen Brown, Anne Marie Doherty, Bill Clarke, 1998 Romancing the Market is a radical rethinking of marketing understanding The book contains essays by an international selection of the most creative contemporary marketing scholars

Brand Mascots Stephen Brown, Sharon Ponsonby-McCabe, 2014-06-27 Tony the Tiger The Pillsbury Doughboy The Michelin Man The Playboy bunny The list of brand mascots spokes characters totems and logos goes on and on and on Mascots are one of the most widespread modes of marketing communication and one of the longest established Yet despite their ubiquity and utility brand mascots seem to be held in comparatively low esteem by the corporate cognoscenti This collection the first of its kind raises brand mascots standing both in an academic sense and from a managerial perspective Featuring case studies and empirical analyses from around the world here Hello Kitty there Aleksandr Orlov beyond that Angry Birds the book presents the latest thinking on beast based brands broadly defined Entirely qualitative in content it represents a readable reliable resource for marketing academics marketing managers marketing students and the consumer research community It should also prove of interest to scholars in adjacent fields such as cultural studies media studies organisation studies anthropology sociology ethology and zoology

Consumer Research Morris B. Holbrook, 1995-06-09 Once again Morris B Holbrook has combined insightful commentary on the field of consumer behavior with a readable and enjoyable writing style A must read for anyone interested in the latest thinking in the field Ron Hill Professor and Chair of Marketing Villanova University A delightfully idiosyncratic history of consumer research What enthralled readers will get from his stylish exposition is a socio psychocultural description of the consumer through the ages along with a description of attempts to understand the consumer Scholarly yet readable

Holbrook's history is a classic study of consumerism too Editor's Choice Business Today In recent years consumer research has emerged as an academic specialty of growing concern to marketing scholars and of increased importance on today's university campuses Courses on consumer behavior taught in virtually every academic program of business or management draw heavily on work by consumer researchers Despite this wide and growing recognition as an emergent area of study no book appears to exist on the history nature and types of consumer research or on the variegated and often hotly debated issues that surround this field of inquiry Consumer Research fills this gap by providing an account of the recent historical developments in consumer research and by showing how the evolution of this discipline has affected the research The author offers a personal and subjective glance at how various changes in the field have come about and how they have shaped studies of consumption Marketing scholars graduate students and upper level undergraduates concentrating in marketing will find Consumer Research irresistible reading Journal of Economic Psychology, 2001 **Consumer Behavior** John C. Mowen, Michael Minor, 2001 For undergraduate and MBA level courses in consumer behavior A slimmed down and thoroughly revised version of Mowen and Minor's Consumer Behavior Written to provide a concise yet complete review of consumer behavior The text contains the material that students need to understand the consumer and to develop managerial strategies to market products Journal of Marketing, 1999 Apr issues for 1940-42 include Papers and proceedings of the semi annual Dec meeting of the American Marketing Association 1939-41 **Handbook of Qualitative Research Methods in Marketing** Russell W.
