## Contact With A Lord Of Karma:

Contacts with the Gods from Space George King with Richard Lawrence, 2014-03-11 Dr King was undoubtedly the greatest medium of the last century His contacts with other worlds are unrivaled This book goes beyond the Transmissions of the Masters into the multitudinous ways in which They are helping humanity at this crossroads in our evolution It also describes how we can all cooperate with an amazing Cosmic Plan for the salvation and enlightenment of humanity God and the World's Arrangement Nirmalya Guha, Matthew Dasti, Stephen Phillips, 2021-03-24 The work of three present day Sankritist philosophers God and the World s Arrangement allows readers to engage directly with writings of the classical Indian philosophers a kara and V caspati as well as some of their most acute critics on the question of whether the existence of a creator God can be known by reason alone Carefully selected and annotated with the needs of students foremost in mind these new translations will be of interest to anyone wishing to see up close a newly set gem of our philosophical inheritance from global antiquity Contact with a Lord of Karma George King, 2013 Several times a year an extraterrestrial Satellite referred to as Satellite Number 3 orbits Earth under the command of a Cosmic Intelligence known as Mars Sector 6 This craft has been radiating Spiritual energies to Earth for various times each year since 1955 that we know of enhancing all selfless actions by a factor of 3 000 times In 1988 the dates for these orbits around Earth called Spiritual Pushes were given for the next 1 000 years so that humanity could cooperate with this glorious Spiritual opportunity into the future Also included are descriptions of Cosmic Awards given to the Six Adepts mighty Cosmic Beings who have watched over humanity in the last half century as well as details of the Last Hour of operation of the old Satellite before its replacement by a new and larger version Dr George King also recounts a meeting at his home in Santa Barbara with Adept Nixies Zero Zero Nine Leader of a Cosmic team now active on Earth **Everlasting Gospel** , **Contact with the Other World** James Hervey Hyslop, 1919 **Sankara on the Yoga Sutras** Trevor Leggett, 2017-01-01 This is a complete English translation of a highly significant Sanskrit sub commentary vivarana purporting to be by Sankara on the Yoga Sutras of Patanjali The vivarana is written with great originality The long commentary on God completely jettisons the narrow sutra definition in favour of a supreme Creator as evidenced by many ingenious arguments on the lines of the present day cosmological anthropic principle The doctrine that the future already exists and that time is purely relative anticipate the Einstein era **Encyclopedic Sourcebook of Ufo Religions** James R. Lewis, 2003-11 The macabre mass suicide by adherents of the Heaven s Gate Cult in 1997 was shocking and difficult to comprehend for most outsiders Their bizarre mindset which mixed New Age religion with belief in extraterrestrial visitation struck many as unique In fact as the contributors to this intriguing study show the belief in alien contact has had religious overtones since the first purported sighting of an unidentified flying object UFO in 1947 Moreover the religious dimensions of the UFO phenomenon may be the key to understanding the widespread appeal of this modern craze An expert in new religions Professor James Lewis has here brought together twenty insightful articles that

cover the many variations of UFO based religions What the contributors demonstrate is that there are persistent and salient themes underlying the diversity of beliefs centered on the UFO phenomenon Harkening back to theosophy many groups have interpreted UFO sightings and alleged contacts as attempts by alien ambassadors from a more advanced civilization to bring spiritual enlightenment to Earth where humanity is seen to be floundering in ignorance The extraterrestrial message is usually channeled through a charismatic human leader who then mobilizes a group around this New Age revelation The Encyclopedic Sourcebook of UFO Religions discusses the histories and beliefs of prominent UFO based sects looks at group dynamics and other sociological factors and presents selections from the unusual literature of the various groups This revealing and disturbing study shows that there is much more to the UFO phenomenon than simple curiosity about the possibility of life on other planets
