

CONTEMPLATING THE PEOPLE'S BRANCH

Legislative Dynamics in the Twenty-First Century

KELLY D. PATTERSON • DANIEL M. SHEA

Contemplating The Peoples Branch Legislative Dynamics In The Twenty First Century

**United States. Congress. Senate.
Committee on Appropriations**

Contemplating The Peoples Branch Legislative Dynamics In The Twenty First Century:

Congress Responds to the Twentieth Century Sunil Ahuja, Robert E. Dewhirst, 2003 Congress occupies a central place in the U S political system Its reach into American society is vast and deep Overtime the issues it has confronted have increased in both quantity and complexity At the beginning Congress dealt with a handful of matters whereas today it has its hands in every imaginable aspect of life It has attempted to meet these challenges and has changed throughout the course of its history prodded by factors both external and internal to the institution The essays in this volume argue therefore that as society changed throughout the twentieth century Congress responded to those changes

Contemplating the People's Branch Kelly D. Patterson, Daniel M. Shea, 2000 A supplemental reader for undergraduate courses on Congress and the Presidency This very accessible book tackles some of the most difficult issues students face when studying Congress and state legislatures It examines theoretical arguments on the nature of representation the election process and leadership battles with a sharp focus on state legislative process and a critical examination of the election process The book presents topics without overwhelming students with high end statistical analysis Articles taken from journals press and trade books provide access to scholarship and commentary that will allow students to make informed judgements about the performance of the U S Congress and the various state legislatures

The Electoral Challenge Stephen C. Craig, David B. Hill, 2010-07-27 What decides elections Is it the national economic condition voters partisan attachments or the campaigns that candidates run How much do campaigns matter Scholars and political consultants will give you different answers Stephen C Craig and David B Hill bring together the voices of both in this engaging volume now updated to include the volatile and groundbreaking 2008 campaigns and elections Each chapter features an essay from a top scholar in the field followed by a response from political consultants Contributors bring to bear the best literature and empirical evidence to determine what we know about the factors that drive election outcomes all while inviting students to join in the conversation

Guide to Congress CQ Press, 2012-08-10 The new edition of this comprehensive two volume reference has been thoroughly revised and expanded by expert CQ Press writers with years of experience covering Congress to offer a complete institutional history of Congress along with updated insight and analysis on the 2008 and 2010 shifts in power of the U S Senate and House of Representatives The 35 chapters of Guide to Congress Seventh Edition are divided into eight subject areas that cover all aspects of the U S Congress Origins and Development of Congress from the constitutional beginnings of the legislative branch to the histories of the House and Senate and their power shifts eras of partisanship and unity influential leaders and working relationships with presidents New coverage includes analysis of the tug of war between House Democrats and the George W Bush administration on Iraq war withdrawal timetables updates on criminal investigations of House members including William J Jefferson of Louisiana and Charles Rangel of New York and analysis of the Tea Party Movement and new Republican majority Powers of Congress including powers to tax spend and borrow to

conduct foreign policy and investigations to confirm and impeach to regulate commerce to amend the Constitution and to select the president Updated material includes analysis of the George W Bush administration s use of immunity from questioning by congressional committees analysis of the signing of the new START treaty with Russia marking a cornerstone of U S relations with the country coverage of the War on Terror including the killing of bin Laden in a U S raid in Pakistan and perspective on the negotiations to raise the federal debt ceiling in 2011 Congressional Procedures detailing the party and leadership structures rules and the legislative process the committee system assignment and procedures and congressional staff Revised coverage profiles the methods styles and legislative successes and defeats of House Speakers Pelosi and Boehner and Senate majority leader Reid The Guide also analyzes the new hyperpartisanship emerging in Congress and provides updates on congressional travel reforms and aide statistics and trends Pressures on Congress including influence from constituents political parties the president the Supreme Court lobbyists and the media New material explores the use of social media to communicate with constituents examines the role of the new Consumer Financial Protection Bureau and analyzes the Obama administration s relationship with Congress Housing and Support covering the U S Capitol House and Senate office buildings the Library of Congress and organizations such as the Government Accountability Office and the Congressional Research Service Updates are provided on new initiatives by the Library of Congress and reforms to the General Accounting Office Pay and Perquisites including honoraria and allowances franking and travel privileges and other benefits Updates include revised figures for congressional pay and benefits and analysis of efforts to control privately sponsored foreign travel Congress and the Electorate covering the right to vote the demographic composition of congress the role of parties in elections campaign financing and redistricting New information discusses elections statistics in recent elections the impact of third parties Tea Party gains and the creation of super PACs and 527 groups Qualifications and conduct detailing congressional ethics investigations and procedures for disciplining members Updated coverage reviews ethics investigations including the creation of the Office of Congressional Ethics Specific investigations and outcomes are discussed including the censure of Charles Rangel and disapproval of Joe Wilson s outburst during a speech by President Obama Volume 2 concludes with a selected bibliography and key reference materials a list of all members of congress who have served since 1789 congressional election results floor leaders and committee chairs dates for sessions of congress women black Asian and Hispanic members and many more Boxed features tables and figures and a generous number of photos enhance the topical coverage of this definitive resource on Congress The U.S. Congress Donald A. Ritchie,2016 In the second edition of The U S Congress Donald A Ritchie a congressional historian for more than thirty years takes readers on a fascinating behind the scenes tour of Capitol Hill pointing out the key players explaining their behavior and translating parliamentary language into plain English No mere civics lesson this eye opening book provides an insider s perspective on Congress matched with a professional historian s analytical insight After a swift survey of the

creation of Congress by the constitutional convention he begins to unscrew the nuts and pull out the bolts What is it like to campaign for Congress To attract large donors To enter either house with no seniority He answers these questions and more explaining committee assignments and committee work the role of staffers and lobbyists floor proceedings parliamentary rules and coalition building Ritchie explores the great effort put into constituent service as representatives and senators respond to requests from groups and individuals as well as media relations and news coverage He also explores how the grand concepts we all know from civics class checks and balances advise and consent congressional oversight work in practice in an age of strong presidents and a muscular Senate minority

Responsible Partisanship? John Clifford Green, Paul S. Herrnson, 2002 More than fifty years have passed since the American Political Science Association published *Toward a More Responsible Two Party System* a controversial report that addressed the lack of national cohesion within the major parties Although parties have changed a great deal since then they remain a critical component of American democracy While the possibilities and limits of responsible party government have been central topics in the literature since 1950 this book is the first to reassess all aspects of the APSA report Here a distinguished group of scholars among them Charles O Jones Barbara Sinclair Frank J Sorauf John Bibby and Gerald Pomper examine the effectiveness accountability and relevance of parties to the democratic process These articles cover all major relevant topics focusing on recent changes in laws that govern parties innovations in party organization party finance and the relationships among political consultants and parties They examine the place of the party in government including chapters on the changing role of parties in Congress and in the presidency and also consider the roles of parties among the electorate examining trends in voting behavior party identification and ideology A capstone essay by Leon Epstein the dean of American party scholars reviews the ongoing quest for responsible partisanship over the past half century These contributors offer a mixed assessment of the two party system showing that parties are in many respects stronger at the national level than they were in 1950 but not necessarily more responsible The most comprehensive description and analysis of American parties now available *Responsible Partisanship* should become required reading for all students and citizens concerned with making parties more accountable instruments of government

Lights, Camera, Feminism? Samantha Majic, 2023-05-16 Celebrities in the United States have drawn significant attention and resources to the complex issue of human trafficking a subject of feminist concern and they are often criticized for promoting sensationalized and simplistic understandings of the issue In this comprehensive analysis of celebrities anti trafficking activism however Samantha Majic finds that this phenomenon is more nuanced even as some celebrities promote regressive issue narratives and carceral solutions others use their platforms to elevate more diverse representations of human trafficking and feminist analyses of gender inequality *Lights Camera Feminism* thus argues that we should understand celebrities as multilevel political actors whose activism is shaped and mediated by a range of personal and contextual factors with implications for feminist and democratic politics more broadly

Phillip E. Hammond,2000 This book brings together some of the most acknowledged essays by Hammond written over the
last decade and explores religious organizations their internal dynamics and their impact The first half of the book examines
issues such as church membership the formation of religious identity the changing meaning religious organizations have in
the mind of persons returning to church after dropping out for a significant period the orderly dynamics idertaken by small
sects who in growing lower tension with social environments The second half of the book examines the consequences of
these internal dynamics including world system theory the church and its impact on voting behaviours the cultural impact of
cults ideological reformation ethnicity and conscience and the relationship between religious and ethnic identities
