Wisconsin Library Bulletin ,1965 Contemporary Architects Ann Lee Morgan,Colin Naylor,1987 To strengthen the contemporary focus of this volume we have added about forty architects and have deleted some whose activity ceased before World War II In making these decisions we have been assisted by an Advisory Board As in the first volume we have continued to define the word architect very broadly so as to include planners theorists structural engineers and landscape architects whose work seems to be central to the enterprise of creating habitable spaces in our day Editor s note **Contemporary Architecture and Urbanism in Iran** M. Reza Shirazi,2018-01-02 This book presents an in depth critical analysis of the internationally recognized place specific works of three Iranian architects Nader Ardalan Kamran Diba and Hossein Amanat during the 60s and 70s and their significant contribution to the emerging anti modernist discourse It argues that from the mid 19th century onwards architecture and urban design in Iran has been oscillated between two extremes of modernity and tradition Drawing on the theory of critical regionalism Kenneth Frampton the book critically analyses writings and works of the above mentioned architects and contends that they created a space in between which unified two extremes of tradition and modernity in a creative way Khalq i Jadid New Creation The book also contains three in depth interviews with architects to discuss their singular narrative of the creation of in between A concluding chapter addresses the promises of critical regionalist architecture and urban design in post Revolutionary Iran as well as the Middle East where the dichotomy of tradition and modernity is yet a valid account **American Book Publishing Record Cumulative, 1950-1977** R.R.

Bowker Company. Department of Bibliography,1978 **Kazimir Malevich** Rainer Crone,David Moos,1991 Malevich s sudden and startling realization of a non objective way of painting which he termed Suprematism stands as a seminal moment in the history of twentieth century art Rainer Crone and David Moos trace the artist s development from his beginnings in the Ukraine and early years in Moscow where he was closely involved in the Futurist circle through to the late 1920s and beyond The authors of this book convincingly demonstrate that it is only through a close and sustained reading of Malevich s late and still widely misunderstood painterly oeuvre that his extraordinarily inventive stance can truly be

comprehended Crone and Moos trace the close relationship between Malevich's practice and other contemporary non political revolutions in physics linguistics and poetry They present Malevich as a uniquely creative artist embodying in his work many of the insights and discoveries that define the twentieth century and the condition of modern life The Illustrated Encyclopedia of Architects and Architecture Dennis Sharp,1991 Companion to Contemporary Architectural Thought Ben Farmer,Dr Hentie J Louw,Hentie Louw,Adrian Napper,2003-09-02 Architecture has attracted increasing worldwide attention in recent years not only because of its cultural significance but also because of concern over the performance and resource implications of buildings 101 in depth articles by international scholars and practitioners bring the subject into focus by examining issues from various viewpoints Please contact your representative for a leaflet detailing full contents and contributors It also includes sample pages and several illustrations from the book **The Chicago School** David A.
