The media guru and bestselling author of Pitch Perfect helps professionals break away from canned communications and find their true and most effective voice, no matter the workplace. And now, with more ways than ever to get your message across, it's never been harder to communicate clearly and have your message stick. Bill McGowan has devoted more than twenty years to helping people find their distinctive voice. From CEOs to White House staffers to television personalities, he has coached thousands of speakers to make their narrative more memorable and distinctive by breaking free from the challenges preventing them from selling their ideas with conviction, motivating their teams during challenging times, or clearly articulating a company's mission. **Speak Memorably** offers concrete strategies and tools to help anyone in any stage of their career cut through the numbing sameness of clichés and boring business rhetoric and find their authentic voice.
