Zaires, 2018-05-23 **The Common Gaze** Eric Stoddart, 2021-01-30 Our political spheres are riven with micro targeted political advertising that degrades the possibilities and incentive for shared respectful debate We are producers as well as consumers of data when we record our physical and sometimes our spiritual exercise on smartphone apps The algorithms which identify us granting us access to state and corporate provision are not objective but often deeply discriminatory against people of colour and those lower on socio economic scales Offering a ground breaking new perspective on one of the great concerns of our time Eric Stoddart examines everyday surveillance in the light of concern for the common good He

reveals the urgent need to challenge data gathering and analysis that weakens the social fabric by dividing people into categories largely based on inferred characteristics and interprets surveillance in relation to God's preferential option for those who are poor The Common Gaze is a call not only for revised surveillance but for better ways of understanding how God sees *B.A.S.I.C.*, 1968 **Science Citation Index**, 1994 Vols for 1964 have guides and journal lists
