Self-Made Boss: Advice, Hacks, and Lessons from Small Business Owners Jackie Reses, Lauren Weinberg, 2022-03-29. Part starter kit, part encyclopedia, and part inspiration, *Self Made Boss* is an essential survival guide for small businesses. When it comes to getting practical advice, small business owners too often don't know where to look. Sure, you can find all sorts of high-level strategic tips from Fortune 500 CEOs. But what if you own a restaurant and you're trying to figure out how to source good fish, or if you're looking to increase revenue from your plumbing supply store? You'll be running a lot of Google searches before you hear from someone who's actually stood in your shoes. Longtime Square executives Jackie Reses and Lauren Weinberg want to change this. So they reached out across the country, talking to dozens of entrepreneurs with valuable businesses and invaluable advice. This book is the product of that research. Part starter kit, part encyclopedia, part inspiration, *Self Made Boss* is filled with information not just about who these small business owners are, but how they built their companies, step by step. How did they get their start? When did they decide to hire more staff? How did they set a course for growth? And when problems arose, how did they fight through them? You'll hear from a second-generation ice cream shop owner on how to manage price increases, an oyster farmer finding new ways to stay afloat in the middle of a global pandemic, a roofer who refused to be denied or defined by her race and gender, and dozens of other small business owners making a big difference in their communities. No matter the size of your business today or where you're thinking about taking the jump tomorrow, you'll find answers you can apply right away. Because there's a common purpose that all small business
