**Remote Activities for Virtual Teams** Craig McFadyen, Derek Good, 2020-05-06 With over 200 pages in glorious colour this book has over 100 activities that can be used for remote and virtual teams Virtual and remote teams are those that need to connect via technology and are not able to meet in person at the same physical location If you are a people manager trainer coach or just

someone who has to engage people in remote locations this book can give you valuable insights and includes 100 ready to use activities to help bond team members and create some fun. This book has been designed with over 30 years joint training experience by two corporate trainers who know how hard it can be to keep teams and groups engaged. Whether you are looking to spice up your online training courses, energise your virtual team meetings, raise team morale or simply have some fun with your teams, this book will help you achieve that. Each activity has a consistent format and is allocated to a number of categories to make it quick and easy for you to find the one that will suit your needs. Categories include topics like communication, icebreakers, team building and many more. Activities range from full on team building and communication activities down to quick fun energisers you can do to start a session. With each activity carefully chosen and laid out to ensure you have maximum opportunity of success, we have also ensured you won't break the bank by needing lots of expensive or complicated materials to run these activities. You may not have the time or budget to run full blown training courses, but by using this book, there is nothing stopping you from creating more engagement, energy and fun with your teams or groups in remote and virtual settings.

*75+ Team Building Activities for Remote Teams* Christopher Littlefield, 2020-10-03

This book is for leaders committed to building a great remote team culture but who don't have time or know where to start. Whether you're new to remote work or have been working remotely for years, there's enough on your plate already without thinking about how to connect with and engage your team. I wrote this book to do just that and take one thing off your to-do list. The book is intentionally short, low on reading and high on actions. It's organized in such a way that you can open it five minutes before your meeting to grab a quick game or sit down to plan a longer virtual team retreat. In the first few pages, you will find a Quick Reference Guide to help you find exactly what you need. You will have access to 75 activity ideas and hundreds of questions to help make your remote meetings one-on-ones and day-to-day virtual interactions more engaging. Beyond games, you will find team reflection activities, stay conversation questions, a unique end-of-the-year team celebration idea and more. You will also find simple ways to virtually learn, stay healthy and celebrate together as a team. The only thing you need to do is take action.

**Free Bonuses** When you purchase this book, you will gain access to copies of the following free handouts and downloads:

- 75 Team Building Activities Quick Reference Guide: A printable quick reference of the book to keep on your desk with reminders of key concepts, sample meeting agendas and more.
- Know Your People Form: A form to track all the information you should know about your people.
- COVID 19 Resources: Questions to help you understand what your people are facing each day, a list of five things that should be on every virtual meeting agenda and tips to help your team consciously transition back to work when the time comes.
- One Year Subscription to the Beyond Thank You Remote Team Nudge: When you download the free bonus, you will have the opportunity to sign up for the Beyond Thank You Remote Team Nudge. Every two weeks, I will send out activities, meeting prompts and other ideas from this book directly to your email, a little nudge to remind you to take action. If these are unhelpful, you can unsubscribe any time.
