Whether you're 9, 19, or 90, this playful jargon-free book is packed with brain-boosting activities, unforgettable stories, colorful illustrations, and hilarious examples that make learning artificial intelligence a total blast. Incredible Benefits You'll Get Inside: Understand AI through silly games, creative sketches, and real-life stories. Teach kids to think critically about smart tech and privacy. Discover how AIs learn, make decisions, and even make mistakes. Help kids create their own imaginary robot sidekick. Use step-by-step guides to explore AI art, chatbots, and language tools. Spark creativity and problem-solving using lessons from machine thinking. Get proven conversation starters for tech-savvy family chats. Learn how cultures around the world interact with AI. Empower children with knowledge, not fear. Packed with tips, tricks, worksheets, and hands-on experiments. No jargon. No coding experience needed. Just clear, exciting content designed for learners as young as 9th grade and brilliant enough to impress the grownups too. Get your copy today. *Digital Safety Tips* Sophie Carter, AI, 2025-02-22 *Digital Safety Tips* is an essential guide for parents navigating the complexities of online safety in today's digital age. This book addresses critical issues like cyberbullying, online predators, and data privacy, providing parents with actionable strategies to protect their children. It emphasizes proactive education and open communication, empowering children to navigate the internet safely and ethically rather than relying solely on restrictive measures. Did you know children are more likely to report online threats when they feel they can openly communicate with their parents? The book progresses logically, starting with an overview of modern online threats and then moving to practical advice on establishing family digital safety guidelines. It delves into the legal and ethical considerations of online behavior, teaching children about data privacy and the consequences of their digital actions. The book also offers guidance on responding to online incidents, such as reporting cyberbullying. This approach combines technological awareness with proven parenting techniques, making it a valuable resource for creating a supportive and communicative home environment. *From Street-smart to Web-wise®* Al Marcella, Brian Moore, Madeline Parisi, 2024-12-27 Book 2 continues as the tiny fingers in Book 1. Grades K-2 grow and become more familiar with online activities. The critical job of ensuring our children's safety expands as students become more independent and begin to have greater online autonomy. *From Street-smart to Web-wise: A Cyber Safety Training Manual Built for Teachers and Designed for Children* isn't just another book; it's a passionate call to action for teachers, a roadmap to navigate the digital landscape safely with confidence and care. Written by authors who are recognized experts in their respective fields, this accessible manual is a timely resource for educators. Dive into engaging content that illuminates the importance of cyber safety not only in our classrooms but extending into the global community. Each chapter

is filled with practical examples stimulating discussion points and ready to use lesson plans tailored for students in third and fourth grades Regardless of your technology skill level this book will provide you with the guidance and the tools you need to make student cyber safety awareness practical fun and impactful As parents partner with educators to create cyber secure spaces this book stands as a framework of commitment to that partnership It s a testament to taking proactive steps in equipping our young learners with the awareness and skills they need to tread the digital world securely By choosing From Street smart to Web wise A Cyber Safety Training Manual Built for Teachers and Designed for Children you position yourself at the forefront of educational guardianship championing a future where our children can explore learn and grow online without fear Join us on this journey to empower the next generation one click at a time
