Social Media 2.0 : Powered by Artificial Intelligence (Preparing Future Media Professionals for an AI-Integrated World) Prof. P. Sasikala, Benny Mathur, 2025-11-13 Social Media 2.0 Powered by Artificial Intelligence Preparing Future Media Professionals for an AI-Integrated World is a comprehensive guide designed for students, educators, and emerging professionals in the field of New Media Studies In an era where social platforms are not just communication tools but intelligent ecosystems, this book explores how Artificial Intelligence is reshaping the way we create, share, consume, and interpret content online From AI-powered content generation and recommendation systems to data analytics, automation, and ethical implications, the book covers it all in a manner that is both academically grounded and practically applicable Divided into three core sections, the first part lays the foundation by examining social media's evolution, platform dynamics, content planning, and branding The second part dives into the transformative role of AI, showcasing how machine intelligence is integrated into social platforms from chatbots and sentiment analysis to virtual influencers and personalized feeds The third part is focused on the topic of social media for public relations and how public relations agency can leverage the power of social media Developed with a special focus on the Indian digital landscape, this text bridges global trends with local relevance Each chapter is enriched with case studies, key concepts, real-world examples, and reflective questions to encourage critical thinking and hands-on learning Whether you're a student beginning your journey in digital media or a teacher seeking structured content for your classroom, this book offers a future-facing framework to navigate and lead in a media environment increasingly shaped by AI

How to Automate Your Life with Google Gemini Julian Brantor, 2025-11-11 You're busy, your inbox never stops, and every day you repeat the same tasks in Gmail, Calendar, and Docs

What if Google Gemini could quietly do most of that for you? How to Automate Your Life with Google Gemini shows you step by step how to turn Google's AI into a practical assistant that actually gets work done, not just a chatbot that talks back. Inside, you'll learn how to set up simple automations for email replies and summaries, prep for meetings, automatically draft content faster, organize notes and documents, and even create routines that run on a schedule so you don't have to remember them. You'll discover how to save hours each week by letting Gemini handle repetitive digital chores, how to connect it to the Google tools you already use every day, and how to design prompts that give you consistent, accurate results. Whether you're a solopreneur, remote professional, creator, or just someone who wants tech to make life easier, this book speaks your language and gives you fast wins. If you're ready to stop doing everything manually and start letting AI carry the load, this book will show you how.
