Quick Blogging Tips For Beginners For Teachers In The Us:

The Novice Advantage Jonathan Eckert, 2016-04-19 Inspiring to teachers of all experience levels this guide uses humor and insight to show how to teach with daring while growing through risk reflection and revision **Deeper Learning Through Technology** Ken Halla, 2015-01-21 Use the Cloud to Individualize Your Instruction and Watch Your Students Thrive Cloud based technology offers massive benefits to the classroom But technology tools require conscientious implementation by educators This book is the all in one resource you need to be sure your students reap the fullest rewards of how cloud based tools can facilitate learning In Deeper Learning Through Technology teacher and top ed blogger Ken Halla explains How to implement new tech tools to create a self paced learner centered classroom Strategies for leveraging cloud technology to ensure that students have access to an individualized personalized education Real life case studies and activities that will make applying the book s strategies to your classroom enjoyable and achievable E-Pedagogy for the Digital Age Dr. P. C. Nagasubramani, Adult learners have more options for enrolling in postsecondary education than ever before and they are able to use their learning style preference in deciding which program best meets their needs For some of these students those programs are fully online and for others there is minimal use of technology As technology grows and become more integrated into individual lives the unique learning styles and preferences of adults need to learn to be incorporated into instructional design Drawing on a regional sample of US colleges 545 adult learners in a graduate programs were surveyed about how to effectively build community in their online classes Results indicated some agreement with these instructional tools Mature adult learners however were found to have stronger agreement with strategies that included work outside of the formal online class These results suggest perhaps a greater comfort for adults in working in spaces where there is less likelihood of being judged or graded and that they might value relational work with other students in different ways than younger adults **Building a Community of Self-Motivated Learners** Larry Ferlazzo, 2015-03-12 Award winning teacher blogger and author Larry Ferlazzo is back with more insightful research and strategies for helping students want to care more about school and learning In his previous books on motivation Helping Students Motivate Themselves and Self Driven Learning he tackled ways to help students build intrinsic motivation by how you use class time manage your class encourage students to feel positive about learning help them not feel burned out by testing and more In this book he looks at how teachers can create classroom conditions that are needed for motivation to grow in the first place Ferlazzo provides research based suggestions on what you can do today to help students want to develop qualities like physical health grit flow and a desire to transfer what they re learning to life outside of school At the end of each chapter you ll find high interest lesson plans correlated to the Common Core ELA Literacy Standards that set the stage for long term positive impacts Students will read about sports stars how maintaining a healthy lifestyle can help them achieve their goals and other engaging topics They will integrate information from various texts and make connections to their own lives hopes

and dreams a more powerful way to learn to care than being told they should The readings for these lessons and other tools are available as free eResources on our website so you can easily print them for your students
