*Accountability in Higher Education: Navigating Current Issues and Trends* Singleton, Topeka Small, 2025-03-28

Accountability in higher education has become a critical issue as higher education institutions face scrutiny over student outcomes financial transparency and the value of a college degree As the cost of tuition is on the rise and student debt growing the concerns on equitability and the concerns of student engagement have left many in the public to lose trust in higher education From government regulations to accreditation standards and data driven assessment models accountability measures are evolving to ensure that higher education remains both effective and accessible As the public become more distrustful of higher education discussing the problems issues is effective in seeking change Accountability in Higher Education Navigating Current Issues and Trends explores the current trends and issues with accountability in higher education It discusses how accountability in higher education is essential and is the most impactful This book covers topics such as accountability diversity and inclusion and educational training and is a useful resource higher education professionals who seek to know more about navigating the landscape of accountability in higher education **Digital**

**Research Methods for Translation Studies** Julie McDonough Dolmaya, 2023-12-22 Digital Research Methods for Translation Studies introduces digital humanities methods and tools to translation studies This accessible book covers computer assisted approaches to data collection data analysis and data visualization and presentation offering authentic examples of these approaches in both translation studies research and projects from related fields With a diverse range of examples featuring various contexts and language combinations to ensure relevance to a wide readership this volume covers the strengths and limitations of computer assisted research methods as well as the ethical challenges specific to this kind of research This is an essential text for advanced undergraduate and graduate translation studies students as well as researchers looking to adopt new research methods Rebel Leaders GSD (Get Stuff Done!) Nathan W. Tierney, 2025-12-24

What is a rebel leader A rebel leader doesn't ask permission They don't hide behind titles or throw around buzzwords They lead through chaos clear eyed sleeves rolled up no fluff They don't break rules just to stir the pot they challenge the ones that block progress They fix what's broken and build momentum where others stall out You'll find them in uniform classrooms cubicles and corner offices Veterans first gen grads sharp outsiders anyone bold enough to rethink what's always been done and gutsy enough to do something better Rebel Leaders GSD is not another leadership book filled with pie charts and passive advice It's a field manual for people navigating the real world people who are done pretending done waiting and ready to GSD Whether you're A veteran trading in your uniform for a badge a brand or a business A recent grad facing your first real

job and wondering who wrote these broken rules Or an exhausted employee trying to lead without selling out This book gives you the tactical playbook to adapt speak plainly and cut through the noise You ll learn how to Lead when the rules make no damn sense Communicate like a human not a robot Act decisively even when no one hands you a plan This is the leadership book for people who hate leadership books It isn t theory It s trench tested And if you ve ever felt like your grit clarity or instincts weren t welcome in the room this is your proof that they are And your call to lead anyway Welcome to the rebellion
