Everyone Wants to Work Here Maura Thomas, 2023-04-18 Be the leader your team wants to follow. You want to be the kind of leader that leaves a legacy of positive impact. You want to lead an exceptional team so you can power your organization's success and unleash the hidden potential in every team member, including yourself. So how do you realize these goals? In this expansive guide, expert Maura Thomas explores how to combat insidious problems that are costing your organization millions. You can change the status quo with her step-by-step guidance to energize your team and provide greater focus, transparency, and accountability in the organization. Leaders and aspiring leaders like you will discover how to not only extinguish but prevent the dozens of fires that pop up all day. You can transform a stressful culture into an empowering one or a great culture into one where top talent is lining up to be a part of your team. Imagine having consistently productive and satisfying work days and contributing even more to the organization but in a way that's inspiring and motivating instead of overwhelming and depleting. The techniques in this book will not only help you, your team, and your organization; they'll boost your ability to contribute in a positive way to families, your community, and the world.

If You Could Live Anywhere Melody Warnick, 2022-07-26 Even when your job can be done from anywhere, the place you call home still matters a lot. By the old rules of work, your dream career determines where you live. If you want to make movies, move to Los Angeles. If you want to work in publishing, you must be in New York. And if you're launching a start-up, you'll only succeed in Silicon Valley. But with the meteoric rise of remote and freelance work, more people than ever are becoming location

independent Even doctors teachers and other people in more traditional occupations have to make tough choices about where they settle because living in the right place can still make all the difference for your success and happiness So if work won't dictate where you live how will you ever decide If You Could Live Anywhere answers that question Melody Warnick unpacks the big picture concerns that we often miss when we're writing pros and cons lists about potential destinations Because the secret to being happy isn't moving it's aligning your location with your values You'll learn how to craft a personal location strategy that will make the most of your money your community and your life with success stories from people who flexed their location independence to find homes and work they love The future of work is clear it can happen wherever you are So where do you really want to be
